

LANCASTER INTELLIGENCER. WEDNESDAY EVENING, MAR. 26, 1884.

The Republican legislative conventions were held in Wilkesbarre yesterday. In all the districts Blaine delegates were elected and resolutions passed that they support Blaine and Lincoln at Chicago.

The Blaine men of Harrisburg have determined to hold a public meeting in the court house on Tuesday evening, when Francis Jordan will make a speech in favor of Blaine for president.

The Democrats of Lehigh county talk of adopting the Crawford county system in their nominations for county office.

The sub-committee of twenty-one, appointed for the purpose of discussing the advisability of disbanding the One Hundred in Philadelphia, have postponed discussion of the matter until next Tuesday, when the entire committee will be invited to be present.

The Republicans of the Lackawanna county end of the Twelfth congressional district held their convention in Soranton yesterday. Colonel H. M. Bois, of Soranton, was chosen delegate to the national convention and instructed to vote for Blaine and Lincoln.

Letter from Assemblyman Hoag. STATE OF NEW YORK, ALBANY, April 1, 1884.

During my temporary residence here in the winter, I contracted a severe cold, which for a time confined me to my room and rendered me unable to attend to my duties. I not only suffered the inconveniences which usually attend a heavy cold, but was afflicted with a tightness in the chest, accompanied with a severe pain, which made breathing difficult and rest impossible.

I used the usual remedy—cough drops, cough pills, etc., but received no substantial relief until I applied ALCOCK'S POROUS PLASTER, on my back and chest.

I then put on when retiring, and was delighted to find myself much better the next morning. In two days I was well. This, and the experience I have had with ALCOCK'S Plaster in my family, has convinced me that for coughs, colds, spasms, tracheitis, pneumonia and local pain, ALCOCK'S Porous Plaster is the quickest and most effective remedy extant.

JOHN HOAG.

Use Day's Horse and Cattle Powder in all cases of general debility upon your animals. For pneumonia, in the chest, inflammation of the substance of the lung is inflamed, and the animal must be treated with great care. Price twenty-five cents per package of one pound, full weight.

QUICK ACTION AND CURE.—I have known a single Denon's Capsule Plaster to cure scalds.—J. B. Allen, Druggist, N. Y.

A GENEROUS ACT.

That will be Appreciated by All Who Care for Their Complexion and Skin. It is not generally known that the nervous system has a wonderful influence over the skin, but this is a fact known to medical men who have given much of their time to the study of diseases of the skin. No one can have a clear and fair complexion unaided with blotches or pimples who is very nervous.

Whoever tends to a beautiful condition of the nervous system, always has a beautiful complexion and removes roughness and dryness of the skin. Some skin diseases are not attended by visible signs on the surface, but an intolerable itching that renders life miserable.

We copy the following describing and interesting compliment from the Tribune which says: "Dr. G. W. Denon's New Remedy, 'SKIN CURE,' is valued by the public with great confidence, and it is regarded as a very generous act on the doctor's part to make known and prepare for general use the value of his and favorite prescription for the treatment of nervous and skin diseases, after having devoted almost his entire life to the study and treatment of nervous and skin diseases, in which he took great delight. He was for a number of years physician in charge of the Maryland Infirmary on Dermatology, and anything from his hands has been once accepted as authority and valuable. The remedy is fully the article to attack the disease, both internally through the blood, and externally, through the absorbents, and is the only rational and rational mode of treatment. These preparations are only put up for general use after having been used by the doctor in his private practice, for years, with the greatest success and they fully merit the confidence of all classes of sufferers from skin diseases." This is for sale by all druggists. Two bottles, internal and external treatment, in one package. Don't be persuaded to take any other. It costs one dollar.

OH, MY HEAD! WHY WILL YOU SUFFER? Headache, nervous headache, neuralgia, nervousness, paralysis, dyspepsia, sleeplessness, and brain diseases, positively cured by Denon's Cerebral and Chamoisette Pills. They contain no opium, quinine or other harmful drug. Sold by druggists. Price, 50 cents per box, two boxes for \$1.00. For sale by H. B. Cochran, druggist, 127 and 129 North Queen street, Lancaster, Pa.
