from the wites coming in contact with those of the electric light.

For fear of accidents the electric lights will not be run to-night. All over the city the wires of the telograph and telephone companies, and fire alarms, are lying across these of the electric light. The turn in the employ of the light company are busy at work removing the wirea which interfore with them, but it is thought that the repairs cannot be made in time. All of the Pennsylvania railroad com

pany's wires, fifteen in number, are down, Her funeral will take place on Saturday. and we learn from Mr. Bartly, operator in the tower at the depot, that he cannot receive or send dispatches further east than Conestoga or further west than Differville. It is impossible to tell how much damage has been done. Thus far there has been but little detention of passenger trains.

The wires of the Western Union, over thirty in number, are down except one. A report comes in from Mountville that west of that place a long line of telegraph poles have been broken by the weight of snow that carried down the wires.

The ten wires of the American Rapid are also all down but one.

The associated press telegraphs that "the wires could hardly be more unfavor-able than they are this morning." There was no communication south of Baltimore,

The quantity of snow that formed around the wires almost passes belief being in many places as thick as a man's arm, the wires looking like immense patience. aables.

There have been many heavy falls of snow from the roots of buildings in this city, and many persons have made narrow escape from being crushed beneath the descending masses, but we have heard of no serious accidents.

### IN THE LOWER END.

Recent Occurrences in the Southern Section from the Oxford " Fress" The firm of II. M. Wilson & Son, storekeepers at Cherry Hill, has been succeeded by Wilson Bros. & Co.

The schools directors of Fulton town ship intend to build a new school house at Plessant Grove. They advertise for proposals, Mrs. Mercy Haines of Fulton township,

had a severe paralytic stroke while at Kirk Brown's, near Peach Bottom, a few days ago. Alfred P. Terrill has removed from

Lancaster county to the farm in Penn township, Ches er county, he recently purchased from W. H. Lefever, near Jennerville. Joseph Gray, of Fulton township, had

one of his ribs broken one day lust week by falling from a tree he was trimming at the residence of Henry Carter.

Elwood Townsend, of Smyrna, near Christiana, had two of his fingers cut off by a circular saw at his father's mill, one day last week.

James A. Audrews' public sale of West-ern horses at Oxford, on Monday, was well attended. Fourteen head sold from rick for \$4,000. \$190 to \$263. The general average was \$196. There were some very fine horses

in the lot. The belled buzzard passed over Oxford last week. The ring of the bell was

plainly heard by a workman on a farm of M. C. Dickey, who was somewhat alarmed at hearing such a noise high up in the air. For a time, it is said, he was undecided which way to run, as the thought the " call " was specially directed to him possessed his mind. The buzzard was seen and its bell heard in different

sections of this neighborhood las: summer.

### A New Lanalord.

Chosen Elector. Frederick Waltz, late of the McGrann A special dispatch from Allentown this morning states that H. M. PAYLOB' FANCY FLOUR.

BEST IN THE WORLD.

We will not weary you with statistics telling how A. A. TAYLOR

Makes his Celebrated Brand of Taylor's Fancy Flour,

# Or how much he makes daily; neither will we presume to give an opinion as to its quality. It is important for you to find it out. Whether it is strong and white? Whether it will save you annoyance and trouble in baking? Whether the color and taste of the Bread is superior to all others? The only pos-sible way to arrive at the truth is to use

Taylor's Fancy Flour

Yourself you will then know why it is called BEST IN THE WORLD : M. F. Steigerwalt & Sons,
