FRIDAY EVENING, APRIL 11, 1884.

GOOD FRIDAY.

I gazed upon the thorn-crowned Brow,
I see the pierced Hands:
It seems in vain, I cannot yield
The love such Love demands.

Thou givest to my weary soul
Far more than angel's food,
The Body offered for my sake,
Thine own most precious Blood.

Thyself in me, and I in Thee,
A mystery divine,
That so the fire of Thy dear love
May kindle warmth in mine.

Yet even thus my heart is cold,
And holds aloof from Thee:
I have the wish but not the will
To love Thee fervently.

Thou dost not quench the smoking flax:
I will not then despair:
Thou knowest *all* my heart, and Thou
Wilt fan the embers there,

Until they rise an upward flame
Of heavenly, perfect love,
And in that light I see Thy Face,
And worship Thee above.

APRIL CROP REPORT.

The Wheat Prospect as Returned to the Agricultural Department.

The April returns of the department of agriculture make the winter wheat area about 27,600,000 acres. This is nearly the breadth sown of the previous crop, of which between 5 and 6 per cent. was subsequently plowed up, leaving 26,400,000 acres to be harvested. Comparing with the area to be harvested, the present breadth is an increase of 5 per cent. The present area is greater than that of the census year by more than 2,000,000 acres. The increase is about 1,500,000 acres on the Pacific coast and nearly 150,000 acres in the Southern states. There is a small increase in the Middle states and a slight decrease in the Ohio region. The condition of wheat averages 95, one hundred representing a full stand, unimpaired vitality and medium growth. In April, 1883, the average was 80, and 85 in April, 1881. The April average of the large crop of 1882 was 104.

The state averages are as follows: Connecticut, 100; New York, 97; New Jersey, 95; Pennsylvania, 99; Delaware, 96; Maryland, 102; Virginia, 104; North Carolina, 102; South Carolina, 97; Georgia, 91; Alabama, 88; Mississippi, 92; Texas, 101; Arkansas, 81; Tennessee, 98; West Virginia, 100; Kentucky, 98; Ohio, 88; Michigan, 94; Indiana, 92; Illinois, 82; Missouri, 91; Kansas, 101; California, 101; Oregon, 102.

In Michigan, New York and Connecticut the fields were protected with snow on the first of April, in some cases a foot in depth. The subsequent condition will depend on the weather of April. No serious winter killing is reported except in Alabama. On raw and wet areas some injury is reported throughout the entire breadth.

The superior condition of drilled wheat is attested without exception.

The area in rye is nearly the same as last year, the average being 99 per cent; condition average 97 per cent.

The report also gives a statement of farm animals, estimated losses during the past year, and estimated proportion of high grade animals and money value of improvement by breeding in the several states.

"Papa, I could hardly get John home with the whip." "My son, tell the groom to give the horse some Day's Horse and Cattle Powder in his feed. He is suffering from loss of vital energy. In all cases of debility there is nothing like it." Price twenty-five cents per package of one pound, full weight.

RESCUED FROM DEATH

The following statement of William J. Coughlin, of Somerville, Mass., is so remarkable that we beg to ask for it the attention of our readers. He says: "In the fall of 1879 I was taken with a violent bleeding of the lungs, followed by a severe cough. I soon began to lose my appetite and flesh. I was so weak at one time that I could not leave my bed. In the summer of 1877 I was admitted to the City Hospital. While there the doctors said I had a hole in my left lung as big as a half-dollar. I expended over a hundred dollars in doctors and medicines. I was so far gone at one time a report went around that I was dead. I gave up hope, but a friend told me of DR. WM. HALL'S BALSAM FOR THE LUNGS. I laughed at my friends, thinking my case incurable, but I got a bottle to satisfy them, when to my surprise and gratification, I commenced to feel better. My hope, once dead, began to revive, and to day I feel in better spirits than I have the past three years.

"I write this hoping you will publish it, so that every one afflicted with Diseased Lungs will be induced to take DR. WM. HALL'S BALSAM FOR THE LUNGS, and be convinced that CONSUMPTION CAN BE CURED. I have taken two bottles and can positively say that it has done me more good than all the other medicines I have taken since my sickness. My cough has almost entirely disappeared and I shall soon be able to go to work." Sold by H. B. Cochran, 137 North Queen street.
