SATURDAY EVENING, APRIL 12, 1884.

EASTER DAY.

Now the Lenten fast is ended, Holy Week has passed away,
And we throng the holy temple, welcoming glad Easter Day;
On the font and on the altar, Easter lilies are entwined,
And the organ's solemn music quieteth each troubled mind.

Soon we hear God's chosen servant telling us this Eastern morn
How the Lord of life and glory, who in Bethlehem was born—
He who knew our human weakness, and who died our souls to save—
Now hath won His glorious triumph—Christ is risen from the grave!

Christ the Passover is offered, therefore let the feast be kept;
From the grave our Lord hath risen, great first fruits of them that slept,
Christ is risen, and forever from Death's sting has set us free:
Once to sin He died, hereafter He shall live eternally.

Oh, that, like these Easter lilies, pure and white our souls might be,
And our hearts become henceforward one eternal melody!
That the teachings of this season in our hearts and lives might stay,
And the world might be the better for the Church's Easter Day.

By Thy special grace preventing make us long to do Thy will,
Thy continual help still aid us all our duties fulfil,
Till our work is calmly ended, and life's Lenten fast is o'er,
And we keep the Heavenly Easter with Thee, Lord, forevermore.

—*Churchman.*

What Easter Brings.

Churchman.

The Christian who is nearest to the Lord on Easter morning is the happiest of men, because he has entered most into sympathy with Him who is the Life indeed; and one of the compensations of increasing age is that, brought nearer and nearer to the end of this stage of existence he may realize the growing sense of what immortality means as illustrated in our Lord's resurrection. The story of that event is soon told; but the emphasis put upon it in the teachings of the church's service, its relation to the interests of present life, the cheer that it returns to those who are struggling with adverse circumstances, the absolute support and mainstay which come to practical religion from the fact that Christ rose from the dead, that all shall surely rise as He has risen, and shall reap in the next life as they have sown in this—there is something in these accumulated convictions that entirely changes the future of life for one who has grown into them. It is the yearly renewing of these convictions, as it were, line upon line that finally makes one feel such a realty in our Lord's substantial identity with life and with death that the change from this world to the next is not a snapping asunder its precious ties, but rather the enlargement of all that is real in life. The great truth of Easter Day becomes the illuminating fact in one's personal experience. There are thousands of inward thoughts that that thus find their complement in the Resurrection of the Lord.

Chronic Costiveness Cured by Brandreth's Pills.

BELLY BUENO MILLS, ARIZONA TER., January 24, 1883.

For the last two years I have been greatly troubled with costiveness, often ten or twelve days elapsing without any movement of my bowels. I have tried many remedies, but none with success, until I used your VEGETABLE PILLS—taking three pills and increasing one each night until I took nine, then decreasing one each night. Since then my bowels have continued regular each day, and my headache, sour stomach, and general lassitude have left me, and I feel like another man—which is entirely owing to your pills—and I would not be without them in this new country. A. M. HEATH.

Distemper is always dangerous and often fatal in winter when the horse can't get green food. At this season Day's Horse and Cattle Powder is indispensable. Price 25 cents per package of one pound.

SKIN CURE.

[From the Springfield Republican.]

A GENEROUS ACT.

That Will be Appreciated by All Who Care for Their Complexion and Skin.

It is not generally known that the nervous system has a wonderful influence over the skin, but this is a fact known to medical men who have given much of their time to the study of diseases of the skin. No one can have a clear and fair complexion unmixed with blotches or pimples who is very nervous.

Whatever tends to a beautiful condition of the nervous system always beautifies the complexion and removes roughness and dryness of the skin. Some skin diseases are not attended by visible signs on the surface, but an intolerable itching that renders life miserable.

We copy the following deserving and interesting compliment from the *Tribune* which says: "Dr. C. W. Benson's New Remedy, 'SKIN CURE,' is received by the public with great confidence, and it is regarded as a very generous act on the doctor's part to make known and prepare for general use his valuable and favorite prescription for the treatment of nervous and skin diseases, after having devoted almost his entire life to the study and treatment of nervous and skin diseases, in which he took great delight. He was for a number of years physician in charge of the Maryland Infirmary on Dermatology, and anything from his hands is at once accepted as authority and valuable. The remedy is fully the article to attack the disease, both internally through the blood, and externally, through the absorbents, and is the only reliable and rational mode of treatment. These preparations are only put up for general use after having been used by the doctor in his private practice, for years, with the greatest success and they fully merit the confidence of all classes of sufferers from skin diseases." This is for sale by all druggists. Two bottles, internal and external treatment, in one package. Don't be persuaded to take any other. It costs one dollar.

OH, MY HEAD!

WHY WILL YOU SUFFER?

Sick headache, nervous headache, neuralgia, nervousness, paralysis, dyspepsia, sleeplessness, and brain diseases, positively cured by Dr. Benson's Celery and Chamomile Pills. They contain no opium, quinine or other harmful drug. Sold by druggists.

Price, 50 cents per box, two boxes for $1, six boxes for $2.50, by mail, postage free.—Dr. C. W. Benson, Baltimore, Md.

C. N. Crittenden, New York, is wholesale agent for these remedies. m14-MW,S&W

PARKER'S TONIC.

IN THE PILOT HOUSE.

"Yes, sir, this kind of work obliges a man to keep sober as a judge. Of all men in the world, steamboat pilots and railroad engineers should let liquor alone. For on their clearness of sight and coolness of head depends the safety of life and property."

Keeping his hand on the wheel as he said this, Mr. A. Brockman, of No. 295 Silver street, Chicago, added: "Of course, some of 'em drink; but the sober ones have the best positions and the best pay. Yes, the work and exposure sometimes tells on us; but for my part I find PARKER'S TONIC to be all the invigorant I need. I've got a bottle aboard here now; never go on a trip without it. When I haven't any appetite, or am in any way out of sorts, it sets me up in no time. If drinking men would use the Tonic, it would help 'em to break off. No, that isn't a light bottle (it's astar, low down near the water). As I was saying, the Tonic is new life bottled up. You see that flagstaff? Well, with a bottle of PARKER'S TONIC in the locker I can keep malaria as far from me as that, all the time. My wife has used it for three years for summer complaints and colds, and as an invigorant, when she's tired out from overwork. She says the Tonic is a daisy. Good bye! Don't break your neck going below."

This preparation, which has been known as PARKER'S GINGER TONIC, will hereafter be advertised and sold simply under the name of PARKER'S TONIC. As unprincipled dealers are constantly deceiving their customers by substituting inferior articles under the name of ginger, and as ginger is really of unimportant ingredient, we drop the misleading word.

There is no change, however, in the preparation itself, and all bottles remaining in the hands of dealers, wrapped under the name of PARKER'S GINGER TONIC, contain the genuine medicine, if the fac-simile signature of Hiscox & Co. is at the bottom of the outside wrapper. apr2-d&eow
