The domestic dropped a china plate on the floor, and stood speechless. "He breaks all his rock with his fist," broke in Sam, "and runs the steam drill by hand. We pay him \$12 a day just for Electric Appliances are sent on 30 Days' trial the steam he saves. Su'livan happened to come in when he was making bird's eye porphyry with his fist, and I'm blamed if he didn't turn pale as a ghost." TOMENONLY.

" Mr. Jones, if Mr. Evan Williams says this I'd belave him ; but as you say so wouldn't go. There must be some mistake about his bein' a Dutchman.' " He is Dutchman," said Williams,
