Messrs. Bolens, Lichty, Shick, Hurst and others agreed with Mr. Board.
Mr. Hurst offered a resolution that a committee consisting of two members from each branch of council be named to inquire into the matter. This resolution was adopted and the president appointed from common council Messrs. Hurst and Board.

Vital Questions!
Ask the most eminent physician of any school what is the best thing in the world for quieting and allaying all irritation of the nerves and curing all forms of nervous complaints, giving natural, childlike refreshment and sleep.
And they will tell you unhesitatingly "Some form of Hops!"

CHAPTER I.
Ask any or all of the most eminent physicians:
"What is the best and only remedy that can be relied on to cure all diseases of the kidneys and urinary organs, such as Bright's disease, diabetes, retention of uric acid, to retain urine, and all the diseases and ailments peculiar to Women?"
And they will tell you explicitly and emphatically "Beech's."
Ask the same physicians:
"What is the most reliable and surest cure for all liver diseases or dyspepsia, constipation, indigestion, biliousness, indolent fever, ague, etc.," and they will tell you:
"Mandrake or Danjellon?"
Hence, when these remedies are combined with others equally valuable.
And compounded into Hop Bitters, such a wonderful and mysterious curative power is developed which is so varied in its operations, that no disease of the human system can resist its power, and yet it is harmless for the most frail woman, weakest invalid or smallest child to use.
