## SUDDEN CHANGES.

An Molar a Control and a Contr

Changes of temperature are apt to occasion dangerous affections; in the full-blooded, apoplexy is to be feared. All, both young and aged, should have BRANDERTH'S FILLS ready they are never-falling. When you have pain in the head, are dizzy, foverish, rheumatic, or otherwise affected, take from three to ter. ording to bulk of individual. In twenty four hours, or less time, you will be content. Constitutions are much alike. Vertigo, dizziness and pain can come only when impurity in the blood is too much for "the life" in us to carry without a struggle. And it is this struggie that BRANDARTH's PILLS aid, and no mistakes are made when you merely take away impurities from the blood.
