THE METHODIST CONFERENCE.

Postponing the Question of Lay Representation For Four Years.

The question of the equalization of representation, which, after the election of bishops, has attracted the greatest attention in the Methodist conference, came up for consideration Saturday and was postponed for four years. Chairman Shinkle, a lay delegate from Kentucky, who has been indefatigable in working for greater justice to laymen, presented the report of his committee recommending in annual conferences one layman for every six pastoral charges, with all the rights of ministerial delegates, except upon questions affecting ministers. The report found but little support, laymen opposing it because it did not give them enough and the ministers because it conceded too much. Revs. A. J. Kynett and T. P. Neely, of Philadelphia; L. C. Queal, of Central New York; Hatfield, of Chicago, and Benson, of Wisconsin, spoke against, as did also Laymen J. W. Roberts, of Kansas, and O. Lunt, of Illinois. Chairman Shinkel was supported in its defense by Rev. M. D. C. Crawford, of New York, but by a great majority the report was rejected.

The committee also recommended that in general conference the representation of ministerial and lay delegates be equal. Dr. Buckley vigorously attacked the proposed equalization, which was as stoutly advocated by Judge Reynolds and Oliver Hoyt, of New York; Ex-Governor Evans, of Colorado; P. G. Gillett, of Illinois, and Revs. A. B. Leonard, of Cincinnati, and Dr. Paxson, of Philadelphia. Though the lanmen had by far the best of the argument, the ministers rallied in behalf of their privileges and by a vote of 171 to 140 voted to postpone the matter until the next general conference.

The committee on entertainment recommended the People's church, of Boston, as the place of meeting of the conference of 1888 and Rev. J. M. Hamilton, the pastor of the church, whose advanced opinions have more than once startled his fellow delegates, promised a hearty welcome. This report was adopted.

Nothing Like It.

A Bad Breath

Is insufferable. We don't like it. A person with a strong breath must not make himself very familiar with us. What One Dose Did.

S. S. Graves, of Akron, N. Y., had Asthma of the worst kind. Took one dose of *Thomas' Eclectric Oil* and was relieved in five minutes. He adds: "Would walk ten miles for this medicine and pay $5 a bottle for it. It cured my wife of rheumatism like magic." For sale by H. B. Cochran, druggist, 137 and 139 North Queen street.

I Wish Everybody to Know.

Rev. George H. Thayer, an old citizen of this vicinity known to every one as a most influential citizen and christian minister of the M. E. church, just this moment stopped in our store to say, "I wish everybody to know that I consider that both myself and wife owe our lives to Siloh's Consumption Cure." It is having a tremendous sale over our counters and is giving perfect satisfaction in all cases of Lung Diseases, such as nothing else has done. DRS. MATCHETT & FRANCE.
