PARIS, June 11.—The Journal Des Debats comments upon the agitation in England over the Egyptian question, and declares that the maintenance or rupture of the relations between France and Eggland is at state.

is at stake. The Northern Central Dividend. PHILADELPHIA June 11.—The board of directors of the Northern Central railroad to day declared the usual semi-annual dividend of four per cent.

WEATHER INDICATIONS. WASHINGTON, June 11.—For the Middle Atlantic states, light rains party cloudy weather, winds generally northeasterly, slight changes in temperature, except in the extreme southern portion, a slight fall in temperature. fall in temperature.

Narrow Escape of a Train on the Cumber-iana Valley Railroad.

HARRISBURG, Pa., June 11.—A destruc-tive storm, accompanied by a waterspout, railroad runs on a high embaukment of made ground. Directly after the train

graph poles were prostrated and com-munication by wire cut off. To avert calamities a large fire was built at each end of the washout to warn approaching trains. The water spout was about a half mile in width and pelled to walk around the scene of destruction, which will probably be tem porarily repaired by to-morrow.
