SATURDAY EVENING, JUNE 14, 1884.

I REMEMBER, I REMEMBER.

I remember, I remember,
The house where I was born,
The little window where the sun
Came peeping in at morn;
He never came a wink too soon,
Nor brought too long a day;
But now, I often wish the night
Had born my breath away.

I remember, I remember,
The roses, red and white;
The violets and the lily-cups,
Those flowers made of light!
The lilacs where the robin built,
And where my brother set
The laburnum on his birthday,—
The tree is living yet!

I remember, I remember,
Where I was used to swing;
And thought the air must rush as fresh
To swallows on the wing;
My spirit flew in feathers then,
That is so heavy now,
And summer pools could hardly cool
The fever on my brow!

I remember, I remember,
The fir trees dark and high;
I used to think their slender tops
Were close against the sky;
It was a childish ignorance,
But now 'tis little joy
To know I'm farther off from Heaven
Than when I was a boy.

—*Thomas Hood.*

A Virginia Belle.

A Virginia reporter thus describes the belle of a ball he recently attended: Complexion, neither blonde nor brunette, hovering between the dawn and sunrise of a summer's morning; eyes, besides whose arrows Cupid's keenest darts are only fit for killing frogs or clams—eyes that drive the very stars of heaven distracted with envy. Lashes more gloriously silken than ever fringed the lids of Oriental houri. Hair in which 10,000 sunbeams nestle, darkly bright, fine as gossamer threads, but forming a net work which scores of masculine strugglers have found powerful as the green withes that bound Delilah's Samson. Match'ess in grace. Marvelously gifted in woman's grand endowment, tongue. Tones soft as the softest warbling of a flute on tropic seas at twilight. A polar star in every throng, toward whom all masculine compasses point with constant finger. A magnet strong enough to turn a whole battalion topsy-turvy and bring the planets rushing from their far off spheres. Lovelier, more enchanting creatures never flitted through the paradise of rarest poet's dream. Describe her? Were my pen a quill from the pinion of the loftiest seraph that burns in gleaming glory, and dipped in the refulgent radiance of the rainbow's fountain, it would be impossible. Raphael's ghost, after three centuries of celestial practice, would faint at the task of trying to depict her transcendent loveliness.

The Safest and Best Internal Remedy.

It is safe to take BRANDRETH'S PILLS at any time, but to get the best results they should be taken on an empty stomach, going to bed. It is well on the night you take them to eat little or no supper. As no two people are affected precisely the same by a like quantity of the same medicine, it is difficult to determine the dose; and it is something which must be left to the discretion of the patients. We will say, though, the average dose for an adult is from four to ten, according to effect.

For Constipation or Dyspepsia, one or two aken every night will, in a short time, perform an absolute cure. It is well to take a purgative at least once or twice a month as a preventive of disease, and as these pills are entirely vegetable, and are made with the greatest care, we know them to be the safest and most effective purgative ever introduced to the public. They have been sold in this country for over fifty years, and have in that time attained an unprecedented popularity.

"Don't hurry, Gentlemen,"

Said a man on his way to be hanged, "there'll be no fun till I get there." We say to the dyspeptic, nervous, and debilitated, don't hurry thoughtlessly for some remedy of doubtful merit, uncertain of relief, when you can get at the druggists for one dollar *Burdock Blood Bitters* almost sure to cure and certain to benefit. For sale by H. B. Cochran, druggist, 137 and 139 North Queen street.

No Deception Used.

It is strange so many people will continue to suffer day after day with Dyspepsia, Liver Complaint, Constipation, Sour Stomach, General Debility, when they can procure at our store SHILOH'S VITALIZER, free of cost if it does not cure or relieve them. Price, 75 cents. Sold by H. B. Cochran, druggist, 137 and 139 North Queen street, Lancaster. feb14-eod5

How Much Will Do It?

How much of *Thomas' Eclectric Oil* is required to cure? Only a very little. A few drops will cure any kind of an ache; and but a trifle more is needed for sprains and lameness. Rheumatism is not so readily affected; an ounce and sometimes two ounces are required. No medicine, however, is so sure to cure with the same number of applications. Sold by H. B. Cochran, druggist, 137 and 139 North Queen street, Lancaster, Pa.

Boats, Bicycles and Hay Fever.

With the opening of the season of outdoor sports comes the time of trouble for the poor victims of Hay Fever. For them flowers have no odor, and the summer little or no beauty. To snuff, sneeze and wipe their weeping eyes for three or four successive months:—this is their pitiable portion. There is no help in sea-voyages, their is no help in high mountain air. These only lighten the pockets and leave the disease unabated. But there is a positive cure in Ely's Cream Balm. Try it. If you continue to suffer it is because you neglect a remedy as sure as it is cheap and pleasant. 13-2wdeod&w

Brown's Household Panacea

Is the most effective Pain Destroyer in the world. Will most surely quicken the blood whether taken internally or applied externally, and thereby more certainly RELIEVE PAIN, whether chronic or acute, than any other pain alleviator, and it is warranted double the strength of any similar preparation.

It cures pain in the Side, Back or Bowels, Sore Throat, Rheumatism, Toothache, and ALL ACHES, and is **The Great Reliever of Pain.** "BROWN'S HOUSEHOLD PANACEA" should be in every family. A teaspoonful of the Panacea in a tumbler of hot water (sweetened, if preferred), taken at bedtime, will BREAK UP A COLD. 25 cents a bottle.

SALT RHEUM or Eczema, Psoriasis, Scald Head, Infantile or Birth Humors, and every form of Itching, Scaly, Pimply, Scrofulous, Inherited, Contagious and Copper-Colored Diseases of the Blood, Skin and Scalp, with Loss of Hair, are positively cured by CUTICURA RESOLVENT, the new Blood Purifier, internally, and CUTICURA and CUTICURA SOAP, the great Skin Cures and Beautifiers, externally, when all known remedies and the best physicians fail.

GREATEST ON EARTH.

CUTICURA REMEDIES are the greatest medicines on earth. Had the worst case of Salt Rheum in this country. My mother had it twenty years, and in fact died from it. I believe CUTICURA would have saved her life. My arms, breast and head were covered for three years, which nothing relieved or cured until I used the CUTICURA RESOLVENT internally, and CUTICURA and CUTICURA SOAP externally. J. W. Adams, Newark, O.

GREAT BLOOD MEDICINES.

The half has not been told as to the great curative powers of CUTICURA REMEDIES. I have paid hundreds of dollars for medicines to cure diseases of the blood and skin, and never found anything yet to equal the CUTICURA REMEDIES. CHAS. A. WILLIAMS, Providence, R. I.

HAVING DISSOLVED PARTNERSHIP and petmanently closed the Chestnut Street Iron Works, I desire to inform my old patrons and the public generally, that I am still in the business, being located in the Penn Iron Company's Works, North Plum street, where I am making Iron and Brass Castings of every description, and will be pleased to serve all who may favor me with their patronage. From 40 years experience in the business and using the best material and employing the best mechanics, I am satisfied I can guarantee entire satisfaction. Castings made from a mixture of Iron and Steel which are more reliable for strength and durability than the best cast iron known. V teeth roll pinions, rolls and rolling mill work a specialty. Castings made of very soft iron, and brass castings of every description. I have all the patters of the well and favorably known Mower Corn and Cob Crusher, refitted and improved. Also on hand, mills completely fitted up or in parts, to replace old ones which have been in use for years, guaranteeing them to give satisfaction. aug14-6md B. G. McCULLEY.
