FRIGHTFUL RUNAWAY.

FIVE TEAMS IN COLLISION AT ORUK. Two Persons Injured in a Runaway in Berks County, Wherein Horse and Persons were Inadvertently Mixed.

READING, Pa., June 15. Just before service at Zion's church, Perry twp., yesterday, a runaway team collided with five other teams. The people were injured, some seriously, including several who had limbs broken. None however were fatally hurt.

The accident occurred on one of the main roads to the church, at the residence of Mr. Alfred Miller. Mr. Miller's horse took fright, and breaking loose from the hitching place ran down the road at a terrible rate of speed, dashing into a double team carriage containing six persons.

Miller's horse and the double team then ran into a carriage containing Mr. John Groh and wife, and all three teams collided with a carriage containing Mr. and Mrs. Yeager, and thus jammed together precipitately, the four ran into the carriage that was in front.

The horses jumped and rolled over each other in their mad career, each entangling the various collisions of the teams appearing only to increase the desperate efforts of the frightened animals to break loose from the vehicles and speed away.

It seems miraculous that no one was killed.
