CUTICURA REMEDIES.

A POSITIVE CURE FOR EVERY FORM OF SKIN AND BLOOD DISEASE FROM PIMPLES TO SCROFULA.

THOUSANDS OF LETTERS IN OUR possession repeat this story: I have been a terrible sufferer for years with Blood and Skin Humors; have been obliged to shun public places by reason of my disfiguring humors; have had the best physicians; have spent hundreds of dollars and got no real relief until I used the CUTICURA RESOLVENT, the new Blood Purifier, internally, and CUTICURA and CUTICURA SOAP, the great Skin Cures and Beautifiers, externally, which have cured me and left my skin and blood as pure as a child's.

ALMOST INCREDIBLE.

JAMES E. RICHARDSON, Custom House, New Orleans, on oath, says: In 1870 Scrofulous Ulcers broke out on my body until I was a mass of corruption. Everything known to the medical faculty was tried in vain. I became a mere wreck. At times I could not lift my hands to my head, could not turn in bed; was in constant pain and looked upon life as a curse. No relief or cure in ten years. In 1880 I heard of the CUTICURA REMEDIES, used them and was perfectly cured.

Sworn to before U. S. Com. J. D. CRAWFORD.

STILL MORE SO.

WILL MCDONALD, 242 Dearborn Street, Chicago, gratefully acknowledges a cure of Eczema, or Salt Rheum, on head, neck, face, arms and legs for seventeen years; not able to move, except on hands and knees, for one year; not able to help himself for eight years; tried hundreds of remedies; doctors pronounced his case hopeless. Permanently cured by the CUTICURA REMEDIES.

MORE WONDERFUL YET.

H. E. CARPENTER, Henderson, N. Y., cured of Psoriasis or Leprosy, of twenty years' standing, by CUTICURA REMEDIES. The most wonderful cure on record. A dustpanful of scales fell from him daily. Physicians and his friends thought he must die. Cure sworn to before a Justice of the Peace and Henderson's most prominent citizens.

ROBERT A. EVANS,
ADAM OBLENDER,
HENRY CARPENTER,

Mr. Slaymaker, from the committee on buildings and grounds, made a verbal report, in which he stated that the reviewers appointed by court had awarded the board $800, for the ten feet front taken from the East Orange street school property by the widening of Sherman street. Also that the old school houses on Sherman street had been rented; that the Duke street school houses required roofing, and that other school houses required repair. He asked for instructions as to making the necessary repairs, and advertising for coal for the use of the schools.

On motion of Mr. Warfel, the committee was directed to make the necessary repairs to the school houses during vacation and advertise for coal.

Mr. Hartman moved that the East Orange street school property, exclusive of that portion condemned by the viewers, be disposed of by public sale.

Mr. Brosius moved to amend by postponing the sale until after the court shall have taken action on the report of the viewers. The amendment was agreed to.

Mr. Baker from the judiciary committee reported progress on the question of the disputed boundary line of the New street school property. He hoped for an amicable adjustment of the dispute.

The city superintendent's monthly report was read as follows:

LANCASTER Pa., July 3, 1884.

To the Board of School Directors,

GENTLEMEN:—Your city superintendent submits the following report of the public schools for the month of June.

The whole number of pupils enrolled was 216 in the high school, 898 in the secondary, and 1768 in the primary, total 2882.

The average attendance was 203 in the high school, 732 in the secondary, and 1381 in the primary, total 2316. The average percentage of attendance was 84.

The number of visits made by the city superintendent was 29.

The number of visits made by directors was 95 as follows: Wm. McComsey, 19; Dr. M. L. Herr, 13; J. W. Byrne, 14; D. G. Baker, 8; H. Gast, 1; J. B. Warfel, 3; L. Richards, 8; D. Smeych, 4; Dr. D. R. McCormick, 6; A. J. Snyder, 9; J. M. Johnston, 3; J. Samson, 2; Dr. J. Levergood, 2; H. R. Breneman, 2, and W. O. Marshall, 1.

Of the pupils who presented themselves for examination with a view to promotion into the high school, 46 boys and 69 girls attained the required average. Of the progress made in the schools generally as shown by the examination, I prefer that others should speak, and it affords me much pleasure to refer, as regards this matter, to the chairman of the superintending committee, whose zeal in the public school cause induced him to attend nearly if not all the examinations. Very respectfully,

Your most obedient servant.
R. K. BUEHRLE.

Adjourned.

A Successful Instructor.

In a pamphlet giving reminiscences of Dr. Benjamin Abbot, which has been compiled by Professor Waterhouse, the following interesting anecdote is related: 'Lewis Cass,' said Dr. Abbot "was a very wild boy. One day his father, Major Cass, came to me and asked me if I would take his son.'

"'Certainly, but why do you ask?'

"'Oh! the youngster is headstrong and hard to manage. I am an officer, and can govern soldiers, but that boy is too much for me.'

"'What does he do?'

"'Plays truant, runs away from his work, steals off without my permisson to go a gunning, fishing and swimming, and is full of all kind of prauks.'

"'Well, send him to me, and I'l see what I can do with him.'

"The boy was placed under my charge. Several months later I met his father, and asked him how his son was getting along. 'Well, sir,' said he, 'if Lewis was half as afraid of the Almighty as he is of you, I should never have any more trouble with him.'"

In relating this incident Dr. Abbot fairly shook with the laughter which the recollection of Major Cass's answer excited.

Vital Questions!!!

Ask the most eminent physicians

And they will tell you unhesitatingly

"*Some form of Hops!!!*"

CHAPTER I.

Ask any or all of the most eminent physicians:

"What is the best and only remedy that can be relied on to cure all diseases of the kidneys and urinary organs; such as Bright's disease, diabetes, retention, or inability to retain urine, and all the diseases and ailments peculiar to Women"—

"And they will tell you explicitly and emphatically, '*Buchu!!!*"

Ask the same physicians

PARKER'S TONIC.

CLIMBING THE SPIRAL STAIRS.

Invisible Architecture in a New England Parsonage.

"Yes," she said, "our children are married and gone, and my husband and I sit by our winter fire much as we did before the little ones came to widen the circle. Life is something like a spiral staircase; we are always coming around over the spot we started from, only one degree further up the stairs."

"That is a pretty illustration," remarked her friend musingly, gazing into the glowing coals which radiated a pleasant heat from the many-windowed stove. "You know we cannot stop toiling up the hill, though."

"Surely we cannot and for myself I don't find fault with that necessity provided the advance in life is not attended with calamity or suffering, for I have had my share of that. Not long since my health utterly broke down. My system was full of malaria. My digestion became thoroughly disordered and my nerves were in a wretched state. I was languid, ate little and that without enjoying it, and had no strength or ambition to perform even my light household duties. Medical treatment failed to reach the seat of the trouble. The disease—which seemed to be weakness of all the vital organs—progressed until I had several attacks which my physicians pronounced to be acute congestion of the stomach. The last of these was a desperate struggle and I was given up to die. As the crisis had partially passed, my husband heard of the merits of PARKER'S TONIC as an invigorant in just such cases as mine. I took it and felt its good effect at once. It appeared to pervade my body, as though the blessing of new life had come to me. Taking no other medicine I continued to improve and am now in better health than I have been for a long time."

BRANDY.

Brandy as a Medicine.

The following article was voluntarily sent to Mr. H. E. SLAYMAKER, Agent for REIGART'S OLD WINE STORE, by a prominent practicing physician of this county, who has extensively used the Brandy referred to in his regular practice. It is commended to the attention of those afflicted with

Indigestion and Dyspepsia.

BRANDY AS A MEDICINE.

This now much abused Alcoholic Stimulant was never intended as a beverage, but to be used as a medicine of great potency in the cure of some of the destructive diseases which sweeps away the annual thousands of victims. With a purely philanthropic motive, we present to the favorable notice of invalids—especially those afflicted with that miserable disease, Dyspepsia, a specific remedy, which is nothing more or less than

BRANDY.

The aged, with feeble appetite, and more or less debility, will find this simple medicine, when used properly,

A Sovereign Remedy

For all their ills and aches. Be it, however strictly understood that we prescribe and use but one article, and that is

Reigart's Old Brandy,

Sold by our enterprising friend, H. E. SLAYMAKER. This brandy has stood the test for years, and has never failed, as far as our experience extends, and we therefore give it the preference over all other Brandies—no matter with how many jaw breaking French titles they are branded. One-fourth of the money that is yearly thrown away on various important dyspepsia specifics, would suffice to buy all the Brandy to cure any such case or cases. In proof of the curative power of

Reigart's Old Brandy

In cases of Dyspepsia we can summon numbers of witnesses—one case in particular we will cite:

A hard working farmer had been afflicted with an exhausting Dyspepsia for a number of years; his stomach would reject almost every kind of food; he had sour eructations constantly—no appetite—in fact, he was obliged to restrict his diet to crackers and stale bread, and as a beverage he used McGrann's Root Beer. He is a Methodist, and then, as now, preached at times, and in his discourses often declaimed earnestly against all kinds of strong drink. When advised to try

Reigart's Old Brandy

In his case, he looked up with astonishment; but after hearing of his wonderful effects in the cases of some of his near acquaintances, he at last consented to follow our advice. He used the Brandy faithfully and steadily; the first bottle giving him an appetite, and before the second was all taken he was a sound man, with a stomach capable of digesting anything which he choose to eat. He still keeps it and uses a little occasionally; and since he has this medicine, he has been of very little pecuniary benefit to the doctor.—*A Practicing Physician.*
