The Cases Against Spurrier er, al. to Receive Judicial Decision.

At 4 o'c'ock on Tuesday afternoon Al derman Spurrier, Officer Eicholtz and ex-Policeman Leman, with their counsel and the counsel for the common wealth re-assembled at Alderman Fordney's office, as agreed upon when the case was adjourned at noon. The comorwealth's officers said they had no additional evidence to offer and counsel for the accused said, for prudential reasons they had no testimony to offer, as they did not think a prima facie case had been made out. Counsel for the commonwealth claimed that a clear case of false pretense had been made out, and they asked that the cases be returned to court. The alderman reserved his decision until this morning at 11 o clock, when he announced that he would return the cases to court and require each of the defendants to enter bail in the sum of \$300 for trial at the August term of court.
