NIAGARA!

The thoughts are strange that crowd into my brain
While I look upward to thee. It would seem
As if God poured thee from his hollow hand;
Had hung his bow upon thy awful front;
Had spoke in that loud voice which seemed to him
Who dwelt in Patmos for his Saviour's sake,
The sound of many waters; and had bade
Thy flood to chronicle thy ages back,
And notch his centuries in the eternal rocks.
Deep calleth unto deep. And what are we
That hear the question of that voice sublime?
O what are all the notes that ever rang
From war's vain trumpet by thy thundering side?
Yea, what is all the riot man can make,
In his short life to thy unceasing roar?
And yet, bold babbler, what art thou to Him
Who drowned a world, and heaped the waters far
Above its loftiest mountains? A light wave
That breaks and whispers of its Maker's might.

—John G. C. Brainerd.

Preventing Weeds from Seeding.

From the Massachusetts Ploughman.

Among the duties which many farmers neglect to perform, there are few, if any, that are so important as that of destroying the weeds before they ripen their seed.

While some farmers will be careful to keep their cultivated crops very clean of weeds during the first part of the season, very few make any effort to do so the last part, yet most of the weeds will come from the seed and mature after the middle of July. In consequence of this, he who permits the weeds to grow the last part of the season will soon fill his land with weed seed, and will have a constant fight to keep them down in the earlier part of the season sufficient to prevent them from getting the advantage of the useful plants.

No time on the farm is better spent than that in thoroughly destroying all weeds before they ripen any seeds; to do this two or three years lessens the labor of cultivation at least one half, and at the same time very much increases the product of garden or field. Some farmers say that, as the manure is full of weed seed, it is but little use to try to get rid of weeds in the garden; but they forget that it is very much their own fault that weeds get into the manure. If every farmer would make it a part of his business to see that no weeds go to seed under the fences, and around the cultivated fields and compost heap, it would be but a few years before he would find his manure quite free from weed seed. The labor on mowing around the plowed land and fences, before the weeds are old enough to seed, is not half the labor that would be required to destroy the weeds that would come from the seed, if permitted to stand to ripen their seed.

PNEUMONIA PREVENTED.

OYSTER BAY, QUEENS COUNTY, NEW YORK, April 17, 1883.

I believe I have been saved from a terrible illness by ALLCOCK'S POROUS PLASTERS.

About a month ago I was attacked with a violent pain in my chest, accompanied by fever and great difficulty in breathing. I apprehended pneumonia, which is so prevalent at present; I went to bed and applied one Allcock's Plaster between my shoulder blades and two on my chest. In an hour my breathing was much easier, in two hours the pain had left me, and the next morning I awoke perfectly free from fever. I went about my business, as usual, and at the end of a week took the plasters off.

For the last ten years Allcock's Plasters have been used by my family with the best effect in colds, coughs and pain in the side and back. E. B. SHERWOOD.

Be sure to obtain "Allcock's" Porous Plaster, as all others are worthless imitations.

A Fine Hit.

When the proprietors of *Burdock Blood Bitters* put this renowned medicine on the market they hit it exactly. They hit dyspepsia, indigestion, and liver and kidney complaints a hard blow, from which they will never recover. For sale by H. B. Cochran, druggist, 137 and 139 North Queen street.

I Was Ready to Know.

Rev. George H. Thayer, an old citizen of this vicinity known to every one as a most influential citizen and christian minister of the M. E. church, just this moment stopped in our store to say that I wish everybody to know that I consider that both myself and wife owe our lives to Shiloh's Consumption Cure. It is having a tremendous sale over our counters and is giving perfect satisfaction in all cases of Lung Diseases, such as nothing else has done. DRS. MAUCHETT & FRANCE.

A Good Thing

"I sometimes wish I could take hold of the sale of *Thomas' Eclectric Oil* for I tell you it is a grand thing, and I am conscientious in saying I could do a good work." Rev. E. F. Crane, Corry, Pa.

Eclectric Oil cured this gentleman of quinsy of many years standing. For sale by H. B. Cochran, druggist, 137 and 139 North Queen street.

Very Remarkable Recovery.

Mr. Geo. V. Willing, of Manchester, Mich., writes: "My wife has been almost helpless for five years, so helpless that she could not turn over in bed alone. She used two Bottles of Electric Bitters and is so much improved that she is able now to do her own work."

Electric Bitters will do all that is claimed by them. Hundreds of testimonials attest their great curative powers. Only 50 cts. a bottle at Cochran's Drug Store, Nos. 137 and 139 North Queen street, Lancaster, Pa.

BRANDY.

Brandy as a Medicine.

The following article was voluntarily sent to Mr. H. E. SLAYMAKER, Agent for REIGART'S OLD WINE STORE, by a prominent practicing physician of this county, who has extensively used the Brandy referred to in his regular practice. It is commended to the attention of those afflicted with

Indigestion and Dyspepsia.

BRANDY AS A MEDICINE.

This now much abused Alcoholic stimulant was never intended as a beverage, but to be used as a medicine of great potency in the cure of some of the destructive diseases which sweeps away their annual thousands of victims. With a purely philanthropic motive, we present to the favorable notice of Invalids—especially those afflicted with that miserable disease, Dyspepsia, a specific remedy, which is nothing more or less than

BRANDY.

The aged, with feeble appetite, and more or less debility, will find this simple medicine, when used properly.

A Sovereign Remedy

For all their ills and aches. Be it, however strictly understood that we prescribe and use but one article, an I that is

Reigart's Old Brandy,

Sold by our enterprising friend, H. E. SLAYMAKER. This brandy has stood the test for years, and has never failed, as far as our experience extends, and we therefore give it the preference over all other Brandies—no matter with how many low breaking French titles they are branded. One fourth of the money that is yearly thrown away on various imponent dyspepsia specifics, would suffice to buy all the Brandy to cure any such case or cases, in proof of the curative power of

Reigart's Old Brandy

In cases of Dyspepsia we can summon numbers of witnesses—one case in particular we will cite:

A hard working farmer had been afflicted with an exhausting Dyspepsia for a number of years; his stomach would reject almost every kind of food; he had sour eructations constantly—no appetite—in fact, he was obliged to restrict his diet to crackers and stale bread, and as a beverage he used Metzrann's Root Beer. He is a Methodist, and then, as now, preached at times, and in his discourses often declaimed earnestly against all kinds of strong drink. When advised to try

Reigart's Old Brandy

In his case, he looked up with astonishment; but after hearing of his wonderful effects in the cases of some of his near acquaintances, he at last consented to follow our advice. He used the Brandy faithfully and steadily; the first bottle giving him an appetite, and before the second was all taken he was a sound man, with a stomach capable of digesting anything which he choose to eat. He still keeps it and uses a little occasionally; and since he has this medicine, he has been of very little pecuniary benefit to the doctor.—*A Practicing Physician.*

Indigestion and Dyspepsia.

BRANDY AS A MEDICINE.

HAVING DISSOLVED PARTNERSHIP and permanently closed the Chestnut Street Iron Works, I desire to inform my old patrons and the public generally, that I am still in the business, being located in the Penn Iron Company's Works, North Plum street, where I am making Iron and Brass Castings of every description, and will be pleased to serve all who may favor me with their patronage. From 40 years experience in the business and using the best material and employing the best mechanics, I am satisfied I can guarantee entire satisfaction. Castings made from a mixture of iron and steel which are more reliable for strength and durability than the best cast iron known. Wrought teeth roll pinions, rolls and rolling mill work a specialty. Castings made of very soft iron, and brass castings of every description. I have all the patterns of the well and favorably known Mower Corn and Cob Crusher, refitted and improved. Also on hand, mills completely fitted up or in parts, to replace old ones which have been in use for years, guaranteeing them to give satisfaction.
