SATURDAY EVENING, AUG. 23, 1884

UNFINISHED.

The day has ended and the sun has set,
Unfinished 's the task I planned to do;
I sit and ponder o'er with deep regret
The golden sunlight vanished from my view.

And thus full oft at last when life doth close,
And toil is ended for the restless feet,
And for the busy hands the long repose,
The cherished work of life is incomplete.

O Thou who knowest all from sun to sun,
From birthday morning to death's evening chill,
Look on Thy children with their tasks undone,
In loving-kindness, and forgive them still.
—*J. Chandler McLean.*

Early Marriages in London.

Complaint is made that early marriages are becoming common among boys and girls in the east end of London. Boys and girls of 12 "keep company," and at 14 or 15 every laddie has his lassie. In a single district a boy of 16 recently married a girl of the same age. In a printing office in one district there are four married boys. The eldest is only 19 and receives 13s. a week; the next is 18, has three years of his apprenticeship still to serve, and has two children; the youngest is 16, and has to keep a wife and one child on 11s. a week. Another boy is known whose age is between 16 and 17, and he has two children. Still another boy of 16 has one child.

And teeth become a dazzling white,
Beneath the efforts of the brush,
When SOZODONT is used aright;
The mouth becomes sweet, pure and warm,
And the fresh breath an odorous charm.

PNEUMONIA PREVENTED.

OYSTER BAY, QUEENS COUNTY,
NEW YORK, April 11, 1883.

I believe I have been saved from a terrible illness by ALLCOCK'S POROUS PLASTERS.

About a month ago I was attacked with a violent pain in my chest, accompanied by fever and great difficulty in breathing. I apprehended pneumonia, which is so prevalent at present; I went to bed and applied one Allcock's Plaster between my shoulder blades and two on my chest. In an hour my breathing was much easier, in two hours the pain had left me, and the next morning I awoke perfectly free from fever. I went about my business, as usual, and at the end of a week took the plasters off.

For the last ten years Allcock's Plasters have been used by my family with the best effect in colds, coughs and pain in the side and back. E. B. SHERWOOD.

Be sure to obtain "Allcock's" Porous Plaster, as all others are worthless imitations.

☞ Well Dressed People don't wear dingy or faded things when the 10c. and guaranteed Diamond Dye will make them good as new. They are perfect. Get at druggists and be economical. Wells, Richardson & Co., Burlington, Vt.

A Fine Hit.

When the proprietors of *Burdock Blood Bitters* put this renowned medicine on the market they hit it exactly. They hit dyspepsia, indigestion, and liver and kidney complaints a hard blow, from which they will never recover. For sale by H. B. Cochran, druggist, 137 and 139 North Queen street.

We Challenge the World.

When we say we believe, we have evidence to prove that Shiloh's Consumption Cure is decidedly the best Lung Medicine made, in as much as it will cure a common or Chronic Cough in one-half the time and relieve Asthma, Bronchitis, Whooping Cough, Croup, and show more cases of Consumption cured than all others. It will cure where they fail. It is pleasant to take, harmless to the youngest child and we guarantee what we say. Price, 10c., 50c. and $1.00. If your Lungs are sore, Chest or Back lame, use Shiloh's Porous Plaster. Sold by H. B. Cochran, druggist, Nos. 137 and 139 North Queen street. feb7-eod

A Good Thing

"I sometimes wish I could take hold of the sale of *Thomas' Eclectric Oil* for I tell you it is a grand thing, and I am conscientious in saying I could do a good work." Rev. E. F. Crane, Corry, Pa.

Eclectric Oil cured this gentleman of quinsy of many years standing. For sale by H. B. Cochran, druggist, 137 and 139 North Queen street.

Thousands Say So.

Mr. T. W. Atkins, Girard, Kan., writes: "I never hesitate to recommend your Electric Bitters to my customers, they give entire satisfaction and are rapid sellers." Electric Bitters are the purest and best medicine known and will positively cure kidney and Liver complaints. Purify the blood and regulate the bowels. No family can afford to be without them. They will save hundreds of dollars in doctor's bills every year. Sold at fifty cents a bottle by H. B. Cochran, druggist, Nos. 137 and 139 North Queen st., Lancaster, Pa. (3)

HAVING DISSOLVED PARTNERSHIP and permanently closed the Chestnut Street Iron Works, I desire to inform my old patrons and the public generally, that I am still in the business, being located in the Penn Iron Company's Works, North Plum street, where I am making Iron and Brass Castings of every description, and will be pleased to serve all who may favor me with their patronage. From 40 years experience in the business and using the best material and employing the best mechanics, I am satisfied I can guarantee entire satisfaction. Castings made from a mixture of iron and steel which are more reliable for strength and durability than the best cast iron known. Y teeth roll pinions, rolls and rolling mill work a specialty. Castings made of very soft iron, and brass castings of every description. I have all the patters of the well and favorably known Mowrer Corn and Cob Crusher, refitted and improved. Also on hand, mills completely fitted up or in parts, to replace old ones which have been in use for years, guaranteeing them to give satisfaction.
