THE PUBLIC SCHOOLS.

SEPTEMBER MEETING OF THE BOARD.

Report of the Superintendent Committee.

Discussing the Appropriability of the State Collection.

The September meeting of the school board was held on Thursday evening with the following members present: Messrs. Baker, Breneman, Brosius, Brown, Byrne, Cochran, Darmetter, Eberman, Evans, Gast, Herr, Johnson, Marshall, McCormick, Morton, Oblander, Ochs, Reimensnyder, Richards, Ringwalt, Samson, Schwebel, Slaymaker, Smyth, A. J. Snyder, E. G. Snyder, Spurrier, Warfel, Zacher, and Dr. Levergood—present.

The reading of the minutes of the last stated and special meetings was dispensed with.

Report of Superintendent Committee.

Mr. McCormick presented the following as the report of the superintendent committee:

Your superintendent committee respectfully report the reopening of all our schools under very auspicious circumstances. A few were found to be overcrowded, and transfers from one school to another were made in order to equalize them.

Miss Zacher's school, on South Mulberry street, was found to be very much overcrowded, and to relieve the school, Miss Achmer's grammar class of 48 pupils were removed from that school to the school room lately occupied by Miss Johnson, and Miss Annie Hess was appointed as an assistant to Miss Zacher.

In Miss Stahl's school, on Ann street, 77 pupils were found in attendance, and 16 of them were transferred to other schools equally as convenient to their homes.

In Miss Donoherty's school, on South Duke street, 125 pupils were in attendance, where there are only two teachers.

To relieve the school 33 pupils were carefully selected by the superintendent, according to grade and residence, and placed in other schools. In the schools, the majority of them to those at the corner of Prince and Chestnut streets, where there is sufficient accommodation and teaching force.

As these transfers were necessary to relieve overcrowding and equalize the labor of teachers, and all possible care having been taken to avoid imposing an unnecessary hardship upon any to attend the schools to which they have been assigned, it is hoped the action of the committee will be cordially acquiesced by the parents, and approved by the board.

Miss Blanche McCormick having resigned her position as a teacher in the street school, the position of Miss Ida Linn was appointed in her place, and Miss Kate Harrow was appointed to take the place of Miss Linn in Miss Boudell's German and English school.

Miss E. Brimmer having also resigned her position as principal of a combined primary school on South Duke street, Miss Laura Paick was placed in charge of the school, and Miss Mamie Underwood was appointed to Miss Paick's place in one of the primary schools on West Chestnut street.

In making these appointments, though only temporary, careful consideration was given each one with reference to their ability and qualifications, and to those to which they have been assigned with the hope of meeting the approval of the board, as it is believed that another change now would injuriously affect the progress of their schools.

Respectfully submitted,

Wm. McCormick,

WILLIAM A. MORTON,

LUTHER RICHARDS,

C. REIMENSnyder.

The Finance Committee.

Mr. Evans reported that the following bills had been examined and found correct, and the board ordered their payment:

John H. Jordan, whitewashing schools and cleaning water closets, \$40; Abram Maxwell, cleaning schools, \$25; J. S. Cooper, whitewashing, \$25; George W. Fieger, cleaning schools and whitewashing, \$15; Durward Sons, plastering, \$6.25; Elizabeth McLane, cleaning school and whitewashing, \$25; Thos. Cochran, professional services, \$25; Jacob M. Murrer, repairs, \$200.00; J. Adam Burger, 21 and 41 payments on Prince street building, \$2,000; J. Adam Burger, 4th and 5th payments, \$1,800; Basinger, Eberman, Evans and Herr, 1st and 2nd payments, \$8; Loucke, messenger, \$10; Sough & Sons, repairing desks, \$7.50.

Mr. Evans stated that this was the meeting when the collector of unpaid school tax should be elected.

Mr. Cochran moved that Mr. Smyth, collector of the delinquent tax for 1883, and John B. Markley, collector of the tax for 1882, be relieved of any further service as collectors of the above named taxes.

A lengthy discussion followed, during which Mr. Brostus said it could hardly be possible that there were 5,000 men in a city of Lancaster who refused or neglected to pay their school tax.

Mr. Johnson said he had copied the names of the delinquents for the past year, and that there were many duplications of names through the errors of the assessors, and while there were apparently \$5,000 unpaid on the books there were really not more than \$2,000 uncollected.

Mr. Evans said that when Mr. Markley was collector he returned only \$18 as collected out of the \$5,400. He saw on the list the names of professional and business men who were able and would have paid had they been called upon.

Dr. Herr suggested that an advertisement be inserted stating that if the tax was not paid the list of delinquents would be published. He knew such a plan had worked well in Memphis. There are many on the unpaid list who would pay rather than have their names published as delinquents.

Some of the members were in favor of putting the unpaid duplicates in the hands of an auditor for collection.

A motion to lay Mr. Cochran's motion on the table was defeated and Mr. Cochran's motion to relieve the collector of the tax of 1882 and 1883 of any further service as collectors was defeated by the following vote:

Messrs. Byrne, Cochran, Eberman, Gast Herr, Johnson, Marshall, McCormick, Morton, Oblander, Ochs, Reimensnyder, Richards, Samson, Smyth and Snyder, A. J. 15 voted aye; and Messrs. Baker, Breneman, Brosius, Darmetter, Evans, Morton, Schwebel, Slaymaker, Snyder, E. G. Spurrier, Zacher and Levergood—present—15, voted nay.

The Property Committee.

Mr. Slaymaker, from the property committee, reported a large amount of repairs to the school buildings during vacation.

The janitor of the Strawberry street (colored) school had been removed for neglect of duty and John Shertz was

in his place. The action of the committee was ratified by the board.

Future and Supplies.

Mr. Samson, from the committee on furniture and supplies, recommended that new furniture be placed in Miss Dougherty's secondary school.

The Night School Committee.

Mr. Johnson, from the night school committee, submitted the following:

To the Officers and Members of the Lancaster School Board:

GENTLEMEN: The night school committee presents the following report:

First. The committee have unanimously agreed to regard the rules made by the government of the public schools of this city as the rules that govern the conduct of the night schools also, and they therefore expect the teachers that may be appointed to these schools to observe them, except where otherwise provided by express resolution. They would, however, direct special attention to sections 41, 50, 83, 85, 100, 130 and 131.

Secondly. The committee recommend that whenever the number of pupils is so large as to necessitate an additional teacher, a sufficient number of pupils be withdrawn and constituted a school by themselves, in a school house most easily accessible for them.

WM. JOHNSON, Chairman.

Granted a scholarship.

Charles Herr, son of C. G. Herr, was granted a scholarship to Franklin and Marshall college.

Resignations and Elections.

The resignations of Emma Brimmer and Blanche McCormick as teachers were presented and accepted. Miss Paick was elected to take the place of Miss Brimmer and Miss Linn in place of Miss McCormick. The vacancies caused by these promotions were filled by electing Misses Barnes, Underwood and Hess.

The Night Schools.

William H. Levergood was elected principal of the night school, and James C. Gable, first assistant; Miss Shirk was elected principal of the girls night school, and Miss Linn first assistant. The election of additional teachers was left to the action of the committee, but they are to report at each meeting the number of pupils in attendance at the night schools each month.

Mr. Shelby was elected teacher of the night school on East Strawberry street, said school to be opened whenever 15 pupils are ready to attend.

The salaries of the night school teachers were made the same as last year. Adjusted.

The English Lecture at Montreal.

From the New York Tribune.

The impression made by these English women has been most favorable. They appeared to possess every advantage that the men, whose manners, it must be confessed, are open to grave criticism.

The chief physical characteristic of the women in their fine, healthy glow of color, betokening good health and outdoor life. They are, with few exceptions, taller and larger than American women ordinarily are, and have a more vigorous look and carriage. If their faces show less delicacy of expression, it is owing to the elements of feature, and if their voices are noticeably of greater volume, their erect figures, strong coloring and vigorous gait are compensating advantages. Their voices are seldom low and musical, and, although pitched high, are loud and strong.

They are good walkers, taking a pace in the streets and on the college grounds which would leave their American sisters, at least those who are city bred, far in the rear. They dress sensibly for excursions and morning walks, and in the evenings richly and with simplicity, rather than with ostentatious display. Most of the English ladies at the Windsor seem content to be thoroughly well dressed at dinner or for evening receptions, without being anxious to be singled out and stared at by reason of conspicuous costumes or studied or jingly frank and gracious, their politeness seeming to have a deeper source in the heart than the formal "thank you" and "beg pardons" which are constantly on the lips of Englishmen.

Helped Her Out.

"For years he has suffered from pain in the back. Tried various applications. One bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy cured him. He writes: 'I have been cured of my back pain by Chamberlain's Colic, Cholera and Diarrhoea Remedy. I had been suffering for years with a severe case of back pain, and had tried many remedies without success. I had heard of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and I bought a bottle. I used it according to the directions, and in a few days I was completely cured. I can now walk and work without any pain. I feel like a new man. I am very grateful to Chamberlain for his kind and effective medicine.'"

A Remarkable Escape.

Mrs. Mary D. Davis, of Tunkhannock, Pa., was afflicted for six years with Asthma and Bronchitis, during which time she had been unable to do any kind of work. Her husband, who was a farmer, had to support the family on his own strength. She had heard of Chamberlain's Cough Remedy, and she bought a bottle. She used it according to the directions, and in a few days she was completely cured. She can now do all her household work, and she is very grateful to Chamberlain for his kind and effective medicine.
