A Baptist Minister's Experience.

"I am a Baptist Minister, and before I ever thought of being a clergyman, I graduated in medicine, but left a lucrative practice for my present profession, & years ago. I was for many years a sufferer from quinsy; "Thomas' Eclectric Oil cured with hoarseness, and Thomas' Eclectric Oil cured with hoarseness, and Thomas' Eclectric Oil cured them," and it taken in time it will cure seven out of ten. I am confident it is a cure for the most obstinate cold or cough, and if any one will take a small teaspoon and half fill it with Oil, and then place the end of the spoon in one nostril and draw the Oil out of the spoon into the head, by sniffing as hard as they can, until the Oil falls over into the throat, and practice it twice a week, I don't care how offensive their head may be, it will clean it out and cure their catarrh. For deatness and earache it has done wonders to my certain knowledge. It is the only medicine dubbed patent medicine that I have ever fell like recommending, and I am very anxious to see it in every place, for I tell you that I would not be without it in my house for any consideration. I am now suffering with a pain like rheamatism in my right limb, and nothing relieves me like Thomas' Eclectric Oil."
