He is a man of good and the beard, which is over six feet gth, falls way below his feet. But people, however, notice anything nliar about his appearance, because he pe his beard tied up and hid away un-his shirt front. In addition to its gth, the beard, which covers almost the ntire face, is very thick. He is a man 58 of age, well built, weighing 210 is, and has been oultivating his whiser crop for 24 years, with a success that probably stands unsurpassed in the world. In is a butcher by trade, and never carries beard wholly exposed, having only a tion of it spread out, the balance being aited and worn close to the skin under his wearing apparel. Of-iwdcodxw LETTER FROM ASSEMBLYMAT HOAD

STATE OF NEW YORK, ASSEMBLY CHAMBER,
ALBANY, April 13, 1883.
During my temporary residence here the
past winter I contracted a severe cold, which
for a time confined me to my room and tendered me unfit to attend to my duties. I not
only suffered all the inconveniences which
usually attend a heavy cold, but was afflicted
with a tightness in the chest, secondarded with a tightness in the chest, accompanied with a severe pain, which made breathing difficult and rest impossible. I tried the usual remedies—cough drops, cough cordials. &c., but received no substantial relief until I applied ALLCOOK's PORGUS PLASTERS on my back. and chest.

These I put on when retiring, and was de lighted to find myself much better the next morning. In two days I was well. This, and the experience I have had with Allcock's Plas ters in my family, has convinced me that for coughs, colds, sprains, bruises, rheumatism and local pains, Alicock's Porous Plasters are the quickest and most effective remedy ex-tant JOHN HOAG.
