BURGLARY AND ROBBERY.

Silverware and Jewelry Stolen from A West King Street Jeweler.

Last night thieves entered the residence of M. J. Widenhofer, jeweler, 450 West King street, and stole a small quantity of silver ware and jewelry, valued at about $25. The thieves effected an entrance through a transome above the kitchen door, and thoroughly ransacked the kitchen, dining room and parlor, securing a large quantity of silverware which they carried into the yard but failed to make off with, being evidently frightened before they had finished their job. Among the articles left in the yard were a valuable ice pitcher, cake basket, knives, forks and spoons. The only things missing are a sugar bowl, spoonholder, cake basket and some of Mrs. Weidenhofer's jewelry. The thieves evidently were not professionals, as the articles left behind were much more valuable than those carried off. It was the intention of Mr. Weidenhofer and wife to have left the city on Wednesday, but for personal reasons their intended visit was postponed until to day. It is probable that the thieves were aware of their intended departure, but not aware of the postponement, and broke into the house believing it to be unoccupied; and on discovering the family at home, hastily decamped.

This robbery is the third that Mr. Weidenhofer has suffered within a few years past: First, he was robbed in Montgomery county, then in Media, Delaware county, and now in Lancaster. His father's jewelry store in this city was also robbed a few years ago.

ANOTHER HOUSE ENTERED.

The residence of John R. Jefferies, No. 455 West King street, was also entered last night and the lower floor ransacked. Nothing of great value was taken. It is supposed the same thieves who robbed Mr. Widenhofer committed this robbery also.

HIGHWAY ROBBERY.

A Young Man Tied in His Buggy By Thieves.

On Thursday evening, Walter Waidley, a young man residing in Strasburg, drove to New Holland, and started to return home at a late hour. While driving along the road about a quarter of a mile from Paradise, he met two men. One of them passed to the rear of the buggy and at the same time the horse stopped. The man in the rear caught hold of Waidley from behind and held him and at the same time called for his partner—the other took the hitching rein from the horse, and with it tied Waidley's hands tightly together. They then tied his hands to the bow of the buggy. While he was in that position the man went through his pockets, taking all his letters, papers, and a small amount of money. They took his revolver from his pocket but stated that they had no use for it and left it in the buggy. After taking everything else from young Waidley, the men whipped his horse and started him off on a run. The animal being a spirited one ran some distance when luckily the team was met by a baker who was on his way to Paradise. The man stopped the horse and then released young Waidley, who was tied so tightly that it required a half hour's work to loosen him. While the thieves were at work they kept saying to Waidley, "Do you know us!" He replied that he did not, and has not learned anything about them yet. Some of the stolen papers and some photographs were found yesterday morning on the road by some school children.

A meeting of the street committee of councils was held on Friday evening to take action on traps for the inlets of the new sewer constructed in the northwestern section of the city. The traps called for in the specifications will not answer the purposes and it was decided to procure others, the city to pay the difference in cost.

The Ladies' Hebrew Benevolent society of this city to-day donated $25 to the soup fund. It is the purpose of Mayor Rosenmiller to reopen the soup house this season and he will be thankful for contributions to aid him in keeping it open. Hundreds of our poor people were relieved each winter for the past ten years. The mayor's appeal will no doubt be liberally responded to.

DESERVED BY THE CANS.

Sad Fate of a Fourteen-year-old Boy in Marietta.

Last evening while a Republican torch light procession was passing along the railroad in Marietta, the dead body of Robert Grey, aged about 14 years, was found lying alongside the track, 50 yards east of the depot, with the head entirely severed from the body and one arm and one leg also cut off. It appears that the boy was in the habit of boarding freight trains and riding up and down the road. Last evening he boarded a train drawn by engine 576, going east, and making a misstep, fell under the cars, and was killed as above stated. The victim was the son of a widow, residing in Marietta.

An inquest was held on the body, and a verdict rendered in accordance with the above facts. The funeral took place this afternoon from the residence of the boy's mother.

Moonerchor Entertainment.

The entertainment of the Moonerchor, which was postponed last Monday, will take place next Monday, as Prof. Mate will be able by that time to fill his place. The society will offer to its members a humorous evening as it will bring on the stage two comical scenes: The singing club at Bummelsdorf," and "The Corporal's Instruction." The first grand concert will take place next month, for which great preparations are being made.

Driving Accident.

This forenoon as Chief of the Fire Department Howell's team was standing in front of Demuth's store, on East King street, the horse took fright in consequence of the falling down of a pile of brooms near by, and ran off, damaging the wagon to which he was harnessed and injuring his legs somewhat.

Twenty-two Worms in One Chestnut.

James Boyd, postmaster at Greene, this county, while biting into a chestnut Thursday evening, discovered to his horror twenty-two worms ensconced safely in the shell. Perhaps the worms are concentrating in Republican chestnuts since the returns from the October states.

A new floor has been laid, the rooms have been newly painted and papered, new backgrounds and other paraphernalia have been added, and Mr. Rote has made his rooms first-class in all respects. The Worried Stock Speculator.

Worried mind. Fevered brain. Dreadful day with unsettled market. Unable to eat dinner after day's work. Vain efforts to rest at night. Horrid feelings in view of to-morrow. Body and mind want toning up. Brown's Iron Bitters does it surely and quickly. Mr. Tooy, of Tavera, Orange county, Florida, has experienced the benefit of this valuable remedy, and says, "I cheerfully recommend it. I keep it on hand all the time." PROF. POP. SUHLHOFF, THE GREAT COMPOSER. Dresden, Nov. 8, 1880.

MESSRS. KRAUCH & BACH—*Gentlemen*: It gives me great pleasure to inform you that I had the opportunity lately to play on one of your Instruments (Baby Grand Piano) and was astonished at the brilliancy, power and singing tone. The beautiful, excellently established instrument is an ornament through out the entire scale, evenly balanced. It has the most agreeable touch which I ever found on any piano. It possesses that modulating ability which enables amateurs as well as artists, to produce with great ease the finest PIANISSIMO to the most powerful FORTISSIMO. I cannot recommend the instrument high enough to the musical public. I have the honor to remain gentlemen, yours, Very Respectfully, JULIUS SCHULHOFF. For particulars call on or address, WM. FRAILEY, 26 North Queen, or 233 S. Queen street, Lancaster, Pa. These instruments are the best now made and are guaranteed for five years. s29-1md M W&S
