TUESDAY EVENING, OCT., 21, 1884.

Two Hundred Houses Burned.

The most destructive fire that has ever visited Northern New York broke out in Carthage at 11 o'clock Monday morning and burned all the afternoon. The fire started from ashes thrown from Revell's tannery, which set fire to Eaton's planing mills and spread rapidly to Ross' furniture factory and Farrer's tub factory, then crossed the river to East Carthage, catching in Guyot's planing mill, totally destroying the factories and buildings on Rythor and Pringle's island. The flames then spread to all the houses on Spring street, Mechanic street and Church street, burning the new opera house, Peck's hotel, the Disciples' church and the academy. On Main street the Episcopal and Presbyterian churches, and many residences were burned. School street, Upper James street, Clinton street and the east side of Main street are all in ruins. The flames spread so rapidly that the firemen could not keep up with them. At 6:30 o'clock the fire seemed to be nearly under control, and it was hoped that the business portion of the village would be saved. It is estimated that two hundred houses were destroyed and that the loss will reach $1,000,000. There are not enough dwellings left in the town to shelter the inhabitants. Carthage was extensively engaged in manufacturing and all its industries are ruined.

Butler's Attempt to Mislead and Deceive From New York Times

The proof of Butler's miserable perfidy, secured by Gen. Parsons and given to the public by *The Times*, is already opening the eyes of many of his dupes. When they all fully realize that the old demagogue and servant of monopolies has been and is now in the pay and under the direct control and management of the Blaine national committee, they will not only understand the real character and motives of this old man who is willing to round out the remnant of his days as the Benedict Brnold of American politics, but will also be able to fairly judge the candidate and the political managers by whom he has been employed. A more infamous attempt to deceive and mislead the workingmen of this country was never made than this which has been made by Blaine and Butler.

A lame back is a torment. It is usually ascribed either to a strain or to rheumatism. Nine times out of ten it is kidney disease. Be wise in time, take Hunt's (Kidney and Liver) Remedy for your lame back and avoid the dangers of which it is the warning.

Chronic Costiveness Cured by Brandreth's Pills.

BULLY BUENO MILLS, Arizona Ter., Jan. 24, 1883.

For the last two years I have been greatly troubled with costiveness, often ten or twelve days elapsing without any movement of my bowels. I have tried many remedies, but none with success until I used your VEGETABLE PILLS—taking three pills and increasing one each night until I took nine, then decreasing one each night. Since then my bowels have continued regular each day, and my headache, sour stomach, and general lassitude have left me, and I feel like another man—which is entirely owing to your pills—and I would not be without them in this new country. A. M. HEATH.

Keep This in Mind. In the Diamond Dyes more coloring is given in any known dyes, and they give faster and more brilliant colors. 10c. at all druggists. Wells, Richardson & Co., Burlington, Vt. Sample Card, 32 colors, and book of directions for 2c. stamp.

Why be Downcast?

True, you are in a miserable condition—you are weak, paid, and nervous. You cannot sleep at night, nor enjoy your waking hours; yet, why lose heart? Get at the druggists a bottle of *Burdock Blood Bitters*. They will restore you to health and peace of mind. For sale by H. B. Cochran, druggist, 137 and 139 North Queen street.

Do You Believe It.

That in this town there are scores of persons passing our store every day whose lives are made miserable by Indigestion, Dyspepsia, Sour and distressed Stomach, Liver Complaint, Constipation, when for 75c. we will sell them Shiloh's Vitalizer, guaranteed to cure them. Sold by H. B. Cochran, druggist, Nos. 37 and 139 North Queen street. feb7-eod2

Mrs. Langtry,

And other famous women have won a reputation for facial beauty. A fine complexion makes one handsome, even though the face is not of perfect mould. *Burdock Blood Bitters* acts directly upon the circulation, and so give the skin a clearness and smoothness otherwise unattainable. For sale by H. B. Cochran, druggist, 137 and 139 North Queen street.

An End to Bone Scraping.

Edward Shepherd, of Harrisburg, Ills., says: "Having received so much benefit from Electric Bitters, I feel it my duty to let suffering humanity know it. Have had a running sore on my leg for eight years; my doctors told me I would have to have the bone scraped or leg amputated. I used, instead, three bottles of Electric Bitters and seven boxes Bucklen's Arnica Salve, and my leg is now sound and well." Electric Bitters are sold at fifty cents a bottle, and Bucklen's Arnica Salve at 25 cts. per box by H. B. Cochran, druggist, No. 137 and 139 North Queen street, Lancaster, Pa. (5)

The Backus Motor will do more work with less water than any other water motor in existence. aug11 3md

HAVING DISSOLVED PARTNERSHIP and petmanently closed the Chestnut Street Iron Works, I desire to inform my old patrons and the public generally, that I am still in the business, being located in the Penn Iron Company's Works, North Plum street, where I am making Iron and Brass Castings of every description, and will be pleased to serve all who may favor me with their patronage. From 40 years experience in the business and using the best materials and employing the best mechanics, I am satisfied I can guarantee entire satisfaction. Castings made from a mixture of iron and steel which are more reliable for strength and durability than the best cast iron known. Wheels, pinions, rolls and rolling mill work a specialty. Castings made of very soft iron, and brass castings of every description. I have all the patterns of the well and favorably known Mowrer Corn and Cob Crusher, refitted and improved. Also on hand, mills completely fitted up or in parts, to replace old ones which have been in use for years, guaranteeing them to give satisfaction.
