Facitement in the City. Early last evening a tremendous crowd began to assemble in Centre Square, even before the polls had closed. At all of the newspaper offices the returns were dis-played as soon as received and notwithstanding the rain the crowd stood patiently awaiting the news. The INTELLIGENCER office had probably the best facilities for exhibiting the news, as they had a large swinging blackboard in a northern front window which was lighted by the gas standing the rain the crowd stood patiently burners. The crowd was tremendous and the cheers were almost deafening at times Two large bondless were started at the INTELLIGENCER office and the other in front of the Examiner, and the great crowd danced around almost wild with joy.

A NUMBER OF FIGHTS. There were a number of fights in Centre Square and Nor h Queen street, this morning. Ed. Peffer, William Stapleford and John Coulen were arrested by Officer Stormfeltz and locked up at the station house for a hearing before the mayor.

"ALVIN JOSLIN'S" VISIT.

The Largest Audience of the Season. Last evening Charles L. Davis appeared at the opera house in the play of "Alvin Joslin," and the audience was the largest seen in this city at any entertainment for many years. The receipts were almost \$700. The principal cause of this crush was that the weather was very bad outside and the people went to the opera house where they could remain in the dry and listen to the election returns, which were read from the stage. The addence almost went wild as different dispatches were read. The presentation of the play was pany which was strong. A feature of the entertainment was the excellent orchestra every member of which was first class, and solos were played by nearly every one.

Barton Eichelberger, of Ephrata, was arrested yesterday by Constable Jones, of Ephrata, on a warrant issued by Alderman Fordney, charging him with committing an unprovoked assault and battery on Herman Bollinger. The accused waived a hearing and entered ball for trial at the November term of court. COLUMBIA NEWS.

From Our Regular Correspondent, Columbia has gone Republican by a majority of 124, with a plurality over Cleveland of 131, and a gain over 1880 of 20 votes. This was not as high as the Republicans expected, they having wagered on nearly 200, Following is the

George W. Schroder, for auditor, ran
ahead of his ticket of at least 63 votes. The vote is not near as heavy as was expected, but considering the inclement

weather it was large.

The election passed off smoothly, not a single fight occurring. Early this a. m. the Democrats paraded through the streets, while some of the Republican went home unable to stand the crushing news. Later, when reports went to their favor, they were all smiles, while their expressions looked unwell.

MUSIC HALL, BURLINGTON, IOWA, NOV. 3, 1863. Mess's. Kranich & Bach:

GENTLEMEN: The piano recently purchased from you for my recitals, is so exceptionally fine that I feel constrained to give this, my first testimonial in tavor of any particular instrument. Its highest tones are clear and brillient, and the middle register is well adapted to the cantibile style, and the base is fich and powerful, without the coarse pulsative tones so common to most plano for ites. Added to these rare qualities, your instruments have a bright responsive touch and a finish to all the mechanical details. With sincere congratulations,

I am your obedient servant,

Democratic gain of 10,807. THE LATEST FROM NEW YORK. The latest returns from the state outside of New York and Kings county, show that for 1,432 election districts already reported for 1,482 election districts already reported the average Republican plurality has been nearly 35 in each. If the 564 districts yet to hear from return the same average plurality they will yield 19,740 plurality for Blaine. This, added to the 49,988 plurality shown by those already reported will make the Republican plurality exclusive of New York and Kings county, 69,678. The Democratic plurality in New York county is 42,786 and Kings county 15,152. It appears therefore that the Democratic plurality of 57,938 will be overcome.

Brooklyn give a Democratic gain of 11,128 with upwards of 11,000 to spare by the plurality with which Blaine comes to Harlem river. This is a contingent on the returns holding out as fav-ably for the Republicans as they have done up to this time in the state have done up to this time in the state at large.
