1,300 Plurality -- Celebrating the Great Victory in New York City and Portland, Maine.

NEW YORE, Nov. 7.-Chairman Gornan, of the Democratic national commit tee, has sent a dispatch to the national committeemen for each state, saying it is now conceded on all sides that Clevel is elected, the plurality in New York state being not less than 1,300. A feeling of confidence about the Democratic headquarters at noon was so great that the crowd dispersed. At the Republican headquarters it is denied that Gould sent a congratulatory message to Cleveland and asserted that Blaine is elected.

JAT GOULD CONGRATULATES CLEVELAND. NEW YORK, Nov. 7 .- This morning Jay Gould sent the following mes sage to Governor Cleveland : "I hereby congratulate you on your election. All concede that your administration as governor has been wise and conservative, and in the larger field as president, I feel that you will do still better, and that

the vast business interests of the country will be entirely safe in your hands." [Signed] THE LYING ASSOCIATED PRE 8.

NEW YORK Nov. 7. - The question as to who has carried New York state is now chiefly one of accurate footings of long columns of figures. Returns given by county clerks indicate Cleveland's election by about 1,000 plurality. Footings of election districts made by the Associated Press indicate Blaine's election by about 1,000 plurality. Up to this morning twelve districts have not reported at all. To-day the whole list will be carefully re-added and sent out by Associated Press, but it will probably not be completed before night.
