DEMOCRACY'S GALA DAY.

Preparations Making for the Grand Demonstration on Thursday.

Special railroad arrangements have been made for all visitors to the grand barbecue and parade of the county Democracy in this city on Thursday evening. At the barbecue 1,000 loaves of bread will be distributed and meat and coffee will be in abundance. There will be speaking at 12 noon.

The headquarters of Chief Marshal McGovern and his chief of staff, Geo. W. Zecher, on Thursday will be at the office near the grand stand, where visiting clubs and county delegations are required to report to be assigned places in line.

Meetings were held in every ward last evening and arrangements made for a large turnout in each for Thursday's parade.

The ox donated by B. J. McGrann, was paraded through the streets to day and caused no little amusement and excitement.

The 8th ward officers not published yesterday are: Assistant marshal, Leonard Gans; aids, John Gill, William Paulsen, Fred. Shroad, Peter Dummell, Henry Hatz, and Adam Kuhns.

In the Third ward Henry Wolf and Jacob Ricker have been substituted as aids for Charles Effinger and David Harlan. In the Seventh ward the name of Bernard Kuhlman was accidentally omitted from the aids and that of Henry Smeych from the committee on provisions, &c.

The Philadelphia Democracy will not parade on Thursday evening, and there will simply be a turnout of some of the ward organizations.)

On Thursday evening at seven o'clock the Democracy of the Fourth ward will meet at Wm. Balz's hotel, West King street, where torches will be distributed.

The Democrats of the 5th ward will meet at Philip Wall's hotel on Thursday evening at 7 o'clock, where every man will receive his lantern for the parade.

About 50 ladies from this city, Columbia, Mountville, Rohrerstown and other places will turn out on horseback in the parade of Thursday evening.

Special trains will leave the King street station on the Reading road, at 11 o'clock on Thursday night, for Reading, Quarryville and other stations, so that persons desiring to see the parade who cannot get to the barbecue during the day, can return to their homes the same night. The Pennsylvania road has arranged to run trains to York, Columbia, Marietta and other places after the parade.

Capt. R. A. Smith has been appointed marshal of the mounted division for Thursday night's parade, with George Pontz, Dr. McCormick, L. Baehler and Jacob Kautz as assistants.

Chief Marshal McGovern has found it necessary to change the route of the Democratic parade which is to take place on Thursday. It has been found that it will be impossible for the large vehicles that will be in line to pass through or turn the corners of some of the narrow streets. The change will be announced in tomorrow's INTELLIGENCER.

BRANDY.

Brandy as a Medicine.

The following article was voluntarily sent to Mr. H. E. SLAYMAKER, Agent for REIGART'S OLD WINE STORE, by a prominent practicing physician of this county, who has extensively used the Brandy referred to in his regular practice. It is commended to the attention of those afflicted with

Indigestion and Dyspepsia.

BRANDY AS A MEDICINE.

This now much abused Alcoholic Stimulant was never intended as a beverage, but to be used as a medicine of great potency in the cure of some of the destructive diseases which sweeps away their annual thousands of victims. With a purely philanthropic motive, we present to the favorable notice of Invalids—especially those afflicted with that miserable disease, Dyspepsia, a specific remedy, which is nothing more or less than

BRANDY.

The aged, with feeble appetite, and more or less debility, will find this simple medicine, when used properly.

A Sovereign Remedy

For all their ills and aches. Be it, however strictly understood that we prescribe and use but one article, and that is

Reigart's Old Brandy,

Sold by our enterprising friend, H. E. SLAYMAKER. This brandy has stood the test for years, and has never failed, as far as our experience extends, and we therefore give it the preference over all other Brandies—no matter with how many jaw-breaking French titles they are branded. One-fourth of the money that is yearly thrown away on various impotent dyspepsia specifics, would suffice to buy all the Brandy to cure any such case or cases, in proof of the curative power of

Reigart's Old Brandy

In cases of Dyspepsia we can summon numbers of witnesses—one case in particular we will cite:

A hard working farmer had been afflicted with an exhausting Dyspepsia for a number of years; his stomach would reject almost every kind of food; he had sour eructations constantly—no appetite—in fact, he was obliged to restrict his diet to crackers and stale bread, and as a beverage he used McGrann's Root Beer. He is a Methodist, and then, as now, preached at times, and in his discourses often declaimed earnestly against all kinds of strong drink. When advised to try

Reigart's Old Brandy

in his case, he looked up with astonishment; but after hearing of his wonderful effects in the cases of some of his near acquaintances, he at last consented to follow our advice. He used the Brandy faithfully and steadily; the first bottle giving him an appetite, and before the second was all taken he was a sound man, with a stomach capable of digesting anything which he choose to eat. He still keeps it and uses a little occasionally; and since he has this medicine, he has been of very little pecuniary benefit to the doctor.—*A Practicing Physician.*

COUNTING IN NEW YORK.

THE BOARD OF CANVASSERS AT WORK

The Errors Discovered Do Not Materially Change Previously Reported Figures—The Canvass Not Completed.

NEW YORK, Nov. 11.—The official canvass of New York state to-day shows the following pluralities as between Cleveland and Blaine: Saratoga county, Blaine 2,344. The Niagara county board met but adjourned until to-morrow on account of incomplete returns. Schoharie county, Cleveland, 1,837; Yates county, Blaine, 1,273; Orleans county, Blaine, 1,089. The Queens county supervisors met at 10 o'clock and there was a great crowd present composed of Democrats and Republicans, counsel present for both sides.

Returns from several districts in North Hempstead and Flushing were objected to by Republican counsel because the grand totals were not given. No errors as affecting the result as already given were discovered. It is doubtful if the result will be announced to day, unless the rejected returns are corrected this afternoon. Assemblyman Darrah presented a protest against the award of certificate to Smith, Rep., for Assembly from the Second district of Queen's county, alleging fraud, bribery, irregularity and illegal voting in Long Island city.

In New York county at noon the board of aldermen were sworn in as a board of county canvassers. Charles B. Waite Rep., was elected chairman of the board. The room was filled with lawyers and spectators; among the former was William M. Evarts. William P. Kirk, of Tammany, read a protest against any votes being counted for Grace for mayor, on the ground that he is not a naturalized citizen. Referred to the committee on protests. The board adjourned until to-morrow.

Livingston County—Finding errors in some of the returns the board sent them back for correction and adjourned until to-morrow. The chairman of the board authorizes the statement that Blaine's plurality is 1,152.

Schenectady county—Blaine, 283.

ADDITIONAL RETURNS FROM CALIFORNIA.

SAN FRANCISCO, Nov. 11.—Additional returns from mountain districts of Modoc county put Henley, Dem., for Congress in the First district, twenty votes ahead. Full returns from Del Norte county are still missing, but it is expected they will give Carothers, Rep., a small majority; if so it will place the candidates about even.

ELECTIONS IN MEXICO.

Government Troops in Attempting to Coerce Voters Create Bloody Riots.

GALVESTON, Texas, Nov. 11.—A special from Nuevo Laredo, Mexico, says the election for state and municipal officers in the Mexican states of Coahuila and Nuevo Leon took place on Sunday. Riot reigned in the City of Sattilio and towns of Sabinas, Hidalgo and Bustamente. At Sattilio five men are reported killed and fifteen or twenty wounded; a number also were killed at Santa Catalina. At Sabinas Hidalgo a battle occurred between government soldiers and citizens. District Judge Garcia, together with the colonel commanding the troops, and about twenty soldiers were killed. The towns are full of dead and wounded on both sides. The riots are attributed to attempts of government troops to coerce voters.

FOREIGN EVENTS.

The Cases and Deaths from Cholera in France on the Increase.

PARIS, Nov. 11.—Between noon and eleven o'clock last night ninety seven fresh cases of cholera and eleven deaths were reported in this city. This does not include additional cases and deaths in the hospitals, there being five more deaths at one asylum for old men. In many instances the victims have been seized by the dreaded disease in the most sudden manner and with hardly a premonition. Many were stricken down on the streets, in omnibuses and other public places or when about their ordinary vocations.

The Incendiary Torch Applied.

DULUTH, Minn., Nov. 11.—For the third time since August 1st Duluth has been visited by disastrous fires among its lumber mills. Sunday night last over 20,000,000 feet of lumber and ten buildings were burned, the fire sweeping over 30 acres. The loss is about $200,000. One of the lumber mills had shut down and was unable to pay the workmen, and it is supposed some of them started the fire out of revenge.

Reading Railroad Receivers Meet.

PHILADELPHIA, Nov. 11.—Receivers of the Philadelphia & Reading R. R. held a meeting to-day, at which the financial condition of the corporation was considered. It is stated that the question of paying the December dividends of the Central railroad of New Jersey will be taken up, but that the conclusions of the conference will not be made public.

Almost a Serious Disaster.

NEWBURG, N. Y. Nov. 11. Early this morning a heavy emigrant train on the West Shore railroad stopped at Cornwall station and was run into by a freight train following. The emigrants were warned in time and scrambled out of the cars. A complete wreck ensued but no one was killed.
