THE PIRST SNOW. bloom the flowers in springtime set, And streaky apples linger yet ; Twas autumn but a week ago, Why, then, these winter flakes of snow t summer's last rose they disarrayed. The while she dreamed in peace to fade. One swallow was inclined to stay; The white flakes trightened him away.

Winter's cold shock who first endure Think him unkind and premature ; Complain the summer was too brief, And moralize o'er each dead leaf. But as he grips with firmer hold We grow more careless of the cold, Joy in the sparkle of his snow. And nestle by his fireside glow.

Dismayed, we note the first gray hair, Soon others come-we cease to care; Then gray, outnumbering the brown, And soon white winter settles down, And when from youth we've passed to We've learned our lesson page by page, To take what comes for weal or wee And never fret about the snow.

Meeting of the National League—\$100,000
Paid for the Boston Grounds.
The annual meeting of the National
League of base ball clubs was held Wednes. day at the Fifth Avenue hotel, New York, preceded by a session of the board of directors. Mesers. Mills, Allen and Reach were present. The championship was duly awarded to Providence. M. E. Young was reelected president of the board. A complaint from H. M. Jones against the Detroit club was considered and the club sustained, it being a dispute in the matter of contract, in which the club was held to

A. G. Mills presided at the League session, and there were present Josiah Jewett and Spencer Clinton, for Buffalo; A. H. Soden and H. W. Conant, of Boston; A. L. Scaulding and Lamas A. Brown for A. The requests for reinstatement from Shaw and others were denied. Section 64 of the constitution was so amended that a club incurs a penalty of \$800 by leaving the grounds during the progress of a game and section 67 so that the home club is re-quired to furnish the National League

secretary with a score of the game.

Changes of temperature are apt to occasion dangerous affections; in the full-blooded apo plexy is to be feared. All, both young and old should have BRANDENTE'S PILLS ready; they are never falling. When you have pain in the head, are dizzy, leverish, rheumatic, or otherwise affected, take from three to ten, accord ing to bulk of individual. In twenty-four hours, or less time, you will be content. Constitutions are much alike. Vertigo, dizziness, and pain can come only when impurity in the bloss is too much for "the life" in us to carry without a struggle. And it is this struggle that SKANDRETE'S PILLS aid, and no mistakes are made when you merely take away impur-ties from the blood.
