LCZEMA, or Sait Rheum, with its agonizing itching and burning, instantly relieved by a warm bath with Curicura Soar, and a single application of Curicura, the great Skin Cure. This repeated daily, with two or three doses of Curicura Resolvent, the New Blood Purifier, to keep the blood cool, the perspiration pure and unirritating, the bowels open, the liver and kidneys active, will speedily cure Ecsema, Tetter Ringworm, Psorlasis, Licen Pruritus, Scalled Head, Dandruff, and every species of Itching, Scaly, and Pimply Humors of the Scalp and Skin, when the best physicians and all known remedies fail.

Will McDonald, 2542 Dearborn St., Chicago, gratefully acknowledges a cure of Salt Rheum on head, neck, face, arms and legs for seventeen years; not able to walk except on hands and knees for one year; not able to help himself for eight years; tried hundreds of remedies; doctors pronounced his case hopeless; permanently cured by Curioura Resolvers (blood purifier) internally, and Curi ura and Curioura Soar (the great skin cures) externally,

Chas. Houghton, esq., lawyer. 28 State St., Beston, reports a case of Salt Rheum under his observation for ten years, which covered the patient's body and limbs, and to which all known methods of treatment had been applied without benefit, which was completely cured by the CUTICURA REMEDIES, leaving a clean and healthy skin.

F. H. Drake, esq., Detroit, Mich., suffered untold tortures from Salt Ebeum, which appeared on his hands, head and face, and nearly destroyed his eyes. After the most careful doctoring and a consultation of physicians failed to relieve him, he used the Curiotra REMEDIES, and was cured, and has remained solve date.

Rev. George H. Thayer, an old citizen of this vicinity known to every one as a most influential citizen and christian minister of the M. E. church, just this moment stopped in our store to say, "I wish everybody to know that I consider that both myself and wife owe our lives to Shiloh's Consumption Cure." It is naving a tremendous sale over our counters and is giving perfect satisfaction in all cases of Lung Diseases, such as nothing else has done.
