"No! I found the necessary czone and pin-

These plasters also cured my son of rheumatism in the shoulder, which for months defied medical skill. I have found them very quick to cure and absolutely pain-less. In bruises no external remedies can be more effective."

A Baptist Minister's Experience.

"I am a Baptist Minister, and before I ever thought of being a clergyman, I graduated in medicine, but left a lucrative practice for my present profession, to years ago. I was for many years a sufferer from quinsy: "Thomas' Eclectric Oil cured with hoarseness, and Thomas' Eclectric Oil always relieved me. My wife and child had diphtheria, and I than in time it will cure seven out of ter. I am confident it is a cure for the most obstinate cold or cough, and if any one will take a small toaspoon and half fill it with Oil, and then place the end of the spoon into the head, by sniffing as hard as they can, antit the Oil falls over that the threat, and practice if twice a week. I don't care how offensive their head way be, it will clean it out and cure their canarch. For deadness and sarache it has done wonders to my certain knowledge. It is the only medicine dubbed patent medicine that I have ever fell like recommending, and I am very anxious to see it in every place, for I tell you that I would not be without it in my house for any consideration. I am now suffering with a pain like rheumatism in my right limb, and nothing relieve me like Thomas Eclectric Oil."
