A Song.

Ask not one least word of praise!

Words declare your eyes are bright.

What then meant that summer day's

Slience spent in one long gaze?

Was my slience wrong or right?

Yords of praise were all to seek!
Face of you and form of you,
Did they find the praise so weak
When my tips just touched your check—
Touch which let my soul come through?
—Robert Browning.

THOUSANDS OF CASES OF SICK

Headache are permanently cured every year (as the hundreds of testimonials in my possession will testify) by the use of

DR. LESLIE'S

Special Prescription. This Remedy stands to-day without a rival, and with scarcely a com-petitor in the world. Thousands of Physicians throughout the country have acknowledged their inability to care it, and are now prescrib-ing Dr. Leslie's Special Prescription for all cases of Siek

HEADACHE in either its nervous, bilions or congestive form arising from obstruction, congestion or torpidity of the liver. When I say that Dr. Leslie's

SPECIAL

Prescription will cure the most obstinate cases of Sick Headache, I mean just what I say, and that is, that it not merely relieves but; POSITIVELY

cures, no matter how long the case may have been standing.

I have testimonials from persons who have been afflicted for twenty years, being confined to bed two or three days at a time every two weeks, that have been permanently cared by two bottles of Dr. Leslie's special PRESCRIPTION

so that they have not had an attack for over five years.

HAVING DISSOLVED PARTNERSHIP
and permanently closed the Chestnut
street fron Works, I desire to inform my old
patrons and the public generally, that I am still
in the business, being located in the Penn I ron
Company's Works, North Plum street, where I
am making Iron and Brass Castings of every description, and will be pleased to serve all who
may favor me with their patronage. From so
years experience in the business and using the
best material and employing the best mechanics,
I am satisfied I can guarantee entire satisfaction.
Castings made from a mixture of iron and steel
which are more reliable for strength and durability than the best cast iron known. V teeth
roll pinions, rolls and rolling mill work a speccastings of every description. I have all the patterns of the well and favorably known Mowrer
Corn and Cob Crusher, refitted and improved,
also on hand. Mills completely fitted up or in
parts, to replace old ones which have been in use
for years, guaranteelug them to give satiafaction.
