PLEA FOR DESERVING WIVES.

WHY THEY SHOULD BE GIVEN A MONTHLY ALLOWANCE.

The Domestic Partnership Should Have as a Feature Some Sharing of the Monthly Receipts—A Timely Hint for a Young Wife to Take.

When domestic unhappiness exists in a family it generally happens that the cause may be traced to money matters, and to the unequal division of the common funds...

It is true he gave her liberal credits at dry goods shops, milliners and dress makers. These privileges constituted his ideas of financial wisdom...

Such a thing as giving her or rather of sharing with her a portion of the product of his labor, he never dreamed of...

It is not an uncommon thing for a woman to have to work for her husband's support, and to take care for her household...

A friend of mine who has been married forty years has been married for twenty years, and his wife has been married for twenty years...

The Young wife who has the courage to demand, at the beginning of her married life, a weekly or monthly allowance...
