WILL IT PAY

EIGHMIE SHIRT!

That we are the exclusive agents for is warranted to give satisfaction and is positively a perfect fitting shirt. The fit of a shirt is more than the making. It is almost impossible for persons who are accustomed to making shirts to be sure of a perfect fit in the neck and shoulders. It is also difficult to cut a shirt even if you have a pattern, and make it fit; so don't try to make shirts until you have seen what we can sell you them for, all ready to put on. The bosom of our fighmle Shirt is lined with coarse Butcher Lines. This enables the launderer to produce a cleaner, brighter and handsomer looking front than when lined with any other material, and being a pattent bosom if will not wrinkle or crease, no matter what position the wearer may assume. Our prices for White Shirts are 250, 262 and 750. The Eighmle, One Dollar, or 40,49 per half dozen.
