FOR MAR SOT LANS That Her H

From as AstRoment Fis. of the for this that over made me med all through, " said an officer of samining Trinkins, which arrived at ork on Monday from the Bermudas, and the other morning at the Barge A gentleman and his wife were out forty-five passengers who were at Barney Biglin's palace during the bag. He was a Coban ; she was ovi-on American. The voyage must have to sovere for her, or else she was in al bad health, for she could hardly down the plank from the steamer to phter that took the passengers and my-othe Battery. When we got to the office she looked like a ghost. In the pom of the annex a customs inspector The she looked like a ghost. In the n of the annex a customs inspector up to them and asked for the shand-bag. The latter, after assur-hanghtly that it contained nothing to duty, handed it to him. The in-opened it, runnaged around with-ting anything, and was just going to again, when he found a small box ing ten packages of Havana cigar-

Tou just told me there was nothing dutia-in here," said the inspector triumphantly, on have been across here from Havana oten, Senor R.—, not to know that the llows a passenger to bring only 100 rottes for his own personal use free of There are 200 in that box. I don't what I shall do in this case, Senor. It in an evasion on your part of the

"You see the inspector evidently had a adge against the Cuban, probably because never 'tipped' him, and ho was just tak-it out of him for spice. Well the Cuban's adgome face grew as dark as a thunder and, and I thought he was going to strike or and, but just at that moment the wife, he had been standing beside them trem-ing with weakness, stepped between them." "The second one hundred are for my own a sir," she said, with the air of a queen. "Then madame cannot object to smoking a," said the inspector, with an illy-conceal-amer. General Gordon's biographers agree in describing him as a singularly modest man. One of them who submitted proof-sheets to ing the pages fall one by one into the waste-basket and of receiving a reproof for indulg-ing in adulation and hero-worship. Another, warned by the sorry experiences of his pre-decessors, wrote his book without consulting the subject of the memoirs, and excused him-edf in the preface by evaluations that the

"Certainly, I will smoke one," said she, "Certainly, I will smoke one," said she, monply, and sure enough, she did stand up are and smoke one of those strong avana cigarettes. The cabman that drove is couple up to St. James' hotel told after got back that she was terribly sick in the b, and that they had to stop at a doctor's prearly an hour before they reached the self in the preface by explaining that the work would have been ruined if it had contained only what General Gordon was willing to have the public know about his life and
