Columnia, May 9. -Officer Wm. Wittick, non Gilbert, John Gilbert and Edward mody, feel very sore this morning over incident which happened them last night. By were summoned to the Jacoby resi-nes on Bouth Front street, about midnight a report that burglars were on the kitchen of, which is of tin, and were attempting to rec an entrance. The entire house was sured. The supposed robbers could be y seen on the kitchen roof. Wittlek asnded to dislodge them. While on the root his feet alipped and he escaped an ugly fall by catching hold of a chimney, several bricks of which loosened at the grasp and fell to the round below. The waiting officers were led believe that he was struggling with the argiars, and drawing their revolvers were argiars, and drawing their revolvers were bout to go to his assistance when he called to them that all was right. Not a single rob-bur could be found, but two chimneys, which from the ground looked like so many men. The noise heard and which led to the belief that burglars were about, was probably caused by cats on the roof. Hurt in a Runaway.

Hurt in a Runaway.

While descending the hill at the Shawnee furnaces, yesterday afternoon, the horse driven by Benjamin Minnich, became frightdriven by Benjamin Minnich, became fright-ened at an engine and ran off. Mr. Minnich drew the lines too tight to stop the runaway, when the bit broke. He knew that he could not control the animal and leaped from the wagon, but falling, his right wrist was sprained and an ugly gash inflicted in his head. The runaway was caught at Kehler's farm, without further damage being done, excepting a few slight breaks to the wagon. Religious Notes. Religious Notes.
