grounds of the application are moral ones. The suit does not grow out of an attempt at suicide, but is based upon matters antedating the marriage, as the husband is the plaintiff the marriage as the husband is the plaintiff and not the wife. The papers in the case were filed secretly and no record of them appears on the books of the court. This was done un-der an understanding with Frank O. Langdon the father of the respondent. Some members of the Pershing family wanted the matter made public by the entrance of a suit in the ordinary way, but the carnest request of Mr. Langdon and his daughter and the agree-ment of the latter to offer no obstacle to the obtainment of the divorce changed the course of events. The papers were quietly handed to one of the judges, who was told the cir-cumstances of the agreement, and no entry was made. A formal agreement was drawn up by Mrs. Pershing to the effect that she would not defend the suit and her father paid some money to have all the conditions carried out.

SPECIAL NOTICES.

There is no use fighting nature. Dr. Kennedy's Favorite Remedy does nothing of that kind. It does not make the sufferers who trust it worse under the pretense of doing them good. It acts tenderly and in sympathy with what Nature herself is trying to accomplish. Do you have trouble with your digestion, your liver or your kidneys? Does rheumatism pain and rack you? Is your head thick and heavy? It will charm away these ailments almost ere you are aware. (i)myli-imdeod&w
