

BALKING AN OFFICER.

A BRIBERY OFFENSE COMMITTED BY COLUMBIA CITIZENS. Two Men Escaped From Death on the Rail. A Woman Struck From in Front of a Locomotive—Baltimore Express Over the Collectorship Appointment.

REGULAR CORRESPONDENCE OF INTELLIGENCER.

COLUMBIA, June 11, 1885.—Last Sunday, while Officer Hoffman, of the detective force of the Reading & Columbia railroad company, was in the discharge of his duties, when near Cordelia, he was interfered with and stoned by a number of men. Philip Eard, Amos Retiew and Michael Helfrich, residing near Ironville, were arrested for having been the culprits, and this morning, Retiew and Helfrich were being taken to the jail, while Eard was being taken to the hospital.

ANOTHER CLOSE CALL.

FIREMAN HARRY HILL of the "Fifth" yesterday saved the life of a woman, at the R. & C. crossing on Front street. She attempted to cross the tracks in front of the moving engine, and just she was about to be struck the fireman caught her in his arms, and dragged her from the tracks. He undoubtedly saved her from a horrible death.

ANGERFUL BICYCLING.

COLUMBIA has several bicycle-riders who are in the habit of crossing streets, from Third to Front, with as great a speed as they can impel their machine. A serious accident has long been looked for, but as yet happily, these daring yet foolish riders, who escaped all injuries except one or two head-aches, which resulted in skinned hands and bodies. Their last riding should be stopped, as it is not only dangerous to themselves, but to unsuspecting pedestrians who cross the street, and cannot hear the approach of the "wheels."

OFFICER'S CIRCUS COMING.

COLUMBIA is to have a visit from John O'Brien's circus and menagerie, on Thursday June 25, 1885. The circus has but one ring, a great advantage, and their performances like their shows, are of the first class in every particular. The tent will be pitched on the Columbia base ball grounds, and an afternoon and evening performance given. Popular prices will be observed.

GREAT SATISFACTION EXPRESSED.

COLUMBIA Democrats, also Republicans, express great satisfaction over the appointment of ex-Mayor McClellan, of Lancaster city, to be the collector of this district.

TOWN NOTES.

School board meets this evening, in council chamber. Miss Ida M. Gules is visiting in Philadelphia. The P. R. E. car will arrive in Columbia to-morrow afternoon.

BENJAMIN LICHTY IS NOW OFFICIATING AS OPERATOR IN THE WEST YARD DISPATCHER OFFICE.

In lifting a pot of boiling water from a stove, on Tuesday afternoon, Thomas Ford, aged 12 years, and residing in Kitchentown, by the carelessness of his kitchen arm, was inflamed upon that portion of his hand.

THE COMING DECISION.

THE coming decision of lighting the twelve live frogs in the Columbia rolling mill buildings is now being covered with tin roofs.

ONLY A STRANGER DRUMMER.

AN Abuse of Ordinary Confidence Made to Cost \$1000.—Yesterday it was noticed that Grant Phillips had been complained against before Alderman Barr, on the charge of embezzlement, because he kept \$3 which was given him by George Spigle, a drummer, to pay for a team hired by that gentleman from David Haverstick. The police were unable to find Phillips, yesterday Haverstick brought suit before Deen against Spigle, charging him with cruelty to animals and to recover the hire for the horse. The young man was arrested, and being unable to find a friend to aid him, finally a brother drummer came to his assistance. As the young man did not care to be delayed here, and was somewhat annoyed by the arrest, he agreed to pay the amount claimed which cost \$1730, and was brought against Spigle, who was compelled to pay a large sum of money when he was guilty of nothing wrong except his negligence in sending the horse to the stable, a boy who seems to have abused his confidence.

CHARGED WITH LARCENY.

FRANK CAMPBELL, of Chester, was in Lancaster Wednesday and got drunk in company of Harry Fisher, North Prince street. When Campbell awoke from his debauch his gold watch was missing. Fisher was arrested and a warrant for his arrest was issued by Alderman McClellan. This morning Fisher produced the watch, saying that Campbell had given it to him as security for \$5 loaned him. Campbell declared Fisher never loaned him a cent, and that the watch had been stolen from him. Fisher was arrested and Campbell withdrew the complaint of larceny against Fisher.

BROWN PAPER INSTEAD OF BONDS.

ABOUT five months ago Rudolph Von Baron procured board in Washington, D. C., giving as security to his landlady a sealed package which he said contained \$25,000 in German bonds, an alleged legacy from his grandfather in Germany. The board bill having assumed large proportions, the landlady opened the package, which was found to contain a quantity of brown paper, a piece of the capstone of the Washington monument and a child's rattle. Von Baron has now taken lodgings at the police station.
