

TEMPTED. Yes, I know what you say: See it flash to soul to soul, Be it flesh to flesh, as it may; But is earth the whole?

Which were the nobler goal— To watch at the moment's bliss, Or to wear I will keep my soul Clean for that bliss.

FARMERS AND FARMING. The Agriculturalist to Beware of Lightning Rod Swindlers. From the German Towns.

This class of individuals take special pains to go out among the honest farmers and make them the objects of their swindling operations. Their field of operations is the whole country, and they are extremely cautious about confiding their operations to any one person for a great length of time.

In the first place, farmers, do not be persuaded into the belief that you are in unusual danger without a lightning rod. You may about as well take the risk of being struck by lightning as of being imposed upon by swindlers.

Our wheat crops in the United States this year are estimated to fall off very heavily on account of the ravages of various destructive insects, and yet so vast is our production that we have enough for ourselves and a handsome surplus to spare for export to foreign countries.

An Instance of Woman's Pluck. From the Chicago Tribune. In a dentist's office in Albany, Ga., a lady came to have some teeth extracted.

He knew how to get some of it. "My dear, how soon can you ready to move?" "Move! Why, lubby, are we going away?" "Yes, dear. I see the papers say there is \$50,000 lying idle in the New York banks."

A Four-mouthed Woman. Is even worse than a four-mouthed man. No one need be four-mouthed if they will use SOTO'S and rub it in well. It will clean the mouth and spout the mouth, as some parents do with their children when they will not be clean.

A Secretion that Continues the Blood. When the bile is continued from its proper channel into the blood, which is always the case in liver complaints, it ceases to be a healthy secretion, and becomes a poison.

How About the Doses. Many people before purchasing a medicine naturally inquire into the dose and the strength of it. In using Burdock Blood Bitters a teaspoonful for the little ones and two teaspoonfuls for grown-ups are all that is necessary at one time.

It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States.
