How to Make Them So-Reep Them in Health and They Will Take Care of the Hest.

The joy of every well regulated household comes chiefly from the children. Thousands of affectionate parents do not take care of their children. Through ignorance more than culpable neglect they suffer them to fail sick and die, when knowledge might have saved them to love and home. Dr. David Kennedy offers his "Favorite Remedy" as emphatically a medicine for the children—gentle in its action, containing so harmful ingredients wholever, going straight to the blood, which when impure, is the seat and source of disease. "Frourite Remedy" is the friend of childhood and should be found in every nitresery in the land. Keep it in your house for your children's sake, as well as for your own. Try it and you will be glad you saw this article. Make no mistake. The medicine is "Favorite Remedy" and the proprietor's name and address: Dr. David Kennedy, Rondout, N. Y. One dollar a bottle.
