SCHOOL BOARD IN SESSION.

FIXING THE TIME OF OPENING THE COLUMBIA SCHOOLS.

Matters of General Routine Disposed of—A Number of Police Cases Occupy the Attention of the Local Magistrates—A Horse Killed—Recent Borough Briefs.

Regular Correspondence of the INTELLIGENCER.

COLUMBIA, Pa., August 15.—A special meeting of the Columbia school board was held at the office of Dr. W. G. Taylor, president, last evening. Messrs. Strine and Markel were the only absentees. The object of the meeting was stated by the president to consider the question of when the school term of the year 1885-6 would commence. Under the new law enacted by the last legislature a school month will consist of twenty days and if the public school will commence at the time usually set for the opening, the first Monday in September, the schools would close before the first of next May, the school term being eight and one-half months. This would have the schools close too early, and to obviate the trouble a resolution was passed that the school term commence on the 12th of September, being the third Monday in the month.

The committee on repairs and supplies reported that the furniture for the new rooms in the Poplar street building has arrived and has been put in place in the rooms; that the white-washing of the rooms in the Cherry street building is being done; and that they would recommend that new slate blackboards be procured for the grammar schools. The committee was given the power to act in the matter of procuring blackboards.

Henry Wolfe, son of Jacob Wolfe, made an application to the board for admittance to the orphan school at Mount Joy. The board acted favorably upon the matter and the president and secretary signed the application for the boy's admittance to the school.

The finance committee reported that they received the state appropriation amounting to $2,151.37.

Board then adjourned.

In Police Circles.

Officer Wittick arrested Andrew and Mary Meads, colored, for being drunk and disorderly. Andrew also committed an assault on Mary his wife. Squire Evans gave each five days in the Lancaster jail.

Last evening Officer Wittick arrested a stranger named J. H. Jones for being drunk and disorderly. Squire Evans gave him five days in Lancaster jail.

Squire Evans also gave Lotty Trusty, a colored damsel of Tow Hill, a hearing, charged with an assault upon Mary Meads. The case was settled by the costs of the suit being paid by the accused.

Mr. John L. Wright entered complaint against Michael Harkert, at the office of Squire Evans, charging him with trespass. The accused was arrested. Mr. Wright testified that Harkert had been seen upon his property stoning some pear trees. The costs were paid by the accused and then Harkert was discharged.

Squire Young had Sarah Kahley before him on the fifth of last July to answer the charge of larceny of a ten dollar gold piece from George R. Bennett, in whose employ she was. Bail was given by Sarah for her appearance at court on Tuesday, August 18. Last Monday the girl left town and walked to Watt's station and there took the train for Lebanon, where some of her friends reside. This fact becoming known to the parties, who were her bail, the proper authorities were put upon her track and on last Thursday the girl was arrested in Lebanon and taken to Lancaster jail, where she will remain for trial.

Horse Killed to End Its Sufferings.

The horse driven by Sturgis, the Lititz pretzel baker, on his visit to Columbia, fell on a pile of stones last Tuesday and injured his foreleg in such a manner that the owner was unable to drive the animal home. Yesterday afternoon Mr. Sturgis made a visit to town and found his horse still suffering very much from the injuries it had received and had the animal killed to end its misery.

Borough Briefs.

To-day and evening the Shawnese fire company hold a picnic in Heise's woods. The Ironville orchestra will furnish the music for the occasion.

The self-accused colored man named John Beal, was released by 'Squire Frank, as no word had been received from the authorities in Connelisville, where the alleged crime had been committed, to hold the prisoner. The story told by the man was most likely a canard.

The borough supervisor is having a new gutter crossing laid at the corner of Third and Cherry streets.

Yesterday afternoon a number of Columbians spent a pleasant time at Chickies Rock.

A prayer and experience meeting will be held at 10:30 a. m., to morrow, in the Church of God. The church will be closed in the evening.

In the Methodist church, at both morning and evening services, Rev. John D. Fox, of Reading, will occupy the pulpit. He has the reputation of being an eloquent speaker.
