J. B. MARTIN & CO.

SATURDAY FEB. 27, 1886. A large lot of Body Brussels came in this morning-a line of goods we have been looking for for some time, and they are without exception the cheapest line ever offered. We have the exclusive right of them here, and can recommend them in every respect.

Seven patterns here already, more to follow Present price (to introduce them), 90 and 95c. They will be \$1 in less than two weeks, and correspond favorably with any flody Brussels at \$1.25 in the market.

Tapestry Brussels -all the prominent makes—for the present, a special offering of new patterns—Stintson's, Horner's, Smith Extras—all ten wire Tapestries and best quality made, at Sic; \$1 is the regular price for these goods, and the price we intended to sell them at, but the Body Brussels that we are now offering at 90c. and 25c. puts an end to selling Tapestries (no matter how good), at #1. Several patterns Tapestry Brussels Carpets at 35c. Lots of them at 50c. Purchase your Carpets now; you get a better selection. Prices are lower, and we have plenty of time to make them up.

Ingrain Carpets, choice patterns, in Extra Super, Cotton, Cotton and Wool, and Venetian Carpets, New Colorings, New Pat-Furniture recovered by expert uphot-holsterers; perfect work guaranteed at much less than usual rates. Large line of Furniture Coverings, Gimps, Raw Silks, Fringes, Plushes, &c., to select from. For comparatively little money you can bave an old sett of furniture recovered, the wood-work refinished, and the whole set look as well as new. In recovering furniture we will make no extra charge for refinishing and gluing.

Oll Shades, spring fixtures, full two yards long, all colors, made up, ready to hang, for 4cc. All widths of shading and Fixtures. Large line of Dado Shades.

Large line of New Papers for the Spring Trade. We are doing a large business in the Gold Papers at 15c., 18c. and 20c., customers saying they are as good as papers solid else-were at 40c, and 50c. They are, too. Of course, to sell at those prices, we have to buy large quantities of them—a solid carload from one manufacturer alone. Just think of that quantity in one purchase? Enough Wall Paper to cover every room is Lancas-ter. Other papers at 5c. to lee. All our gold papers guaranteed not to tarnish or discolor. Export Paper-hangers furnished.
