The St, Paul Pioneer-Press thinks she has what has been called "a Lake Superior smile." That paper says :-- "The girl of the Northwest! How the band trembles that dare touch a pen in her behalf. Tall, dark, dare touch a pen in her behalf. Tall, dark, queenly! Sometimes. Slight, blonde, blue, eyed! Not always. Gentle, loving, divine! Semper et perpetua. Like our wheat, she is of the best. 'Time cannot change nor age wither' the maiden over whose laughing face the breezes from Superior toss the unconfined tresses and whose dainty feet have once pressed the fruitful soil of Minnesota. She can dance, she can sing; her magnificent horse-manship is proverbial; her grace at tennis is a matter of history; her beauty brings; a world to her leet, but her crowning grace, the comsumate flower of all her virtues, is that superb proof of her self-reliance, 'She turns her own music."

The Magnet in the Corset. A young lady of Columbus, about to visit the generating station of the electric light company, was told to leave her watch at home lest it might be magnetized by the strong electric currant. She did so, but complained afterward that her watch would not keep good time. She sent it to a jeweler, but he reported that it was not magnetized and kept good time. Still, whenever she carried it her time was too slow, although when she left it in her room it ran correctly. A gentleman who knew of the circumstances suggested to the young lady that she wear another pair of corsets when next she carried the watch. She did so, and had no further trouble with the watch. The steel springs in her corsets had been magnetized. it might be ma netized by the strong

women, pretty girls, ugly girls, shop girls,
cash girls, rich girls, colored girls, washerwomen, women with diamonds and sealskins
and very shabby women. Every one of these
thanked the young man. One grateful old
soul gave him a doughnut from her basket;
several of them held his satchel and bundles
while he steed. He had a cough once and a
kind-hearied old woman told him what to de
for it, and on one cocasion a grateful old Irish
woman announced to the car that he was "a
gintleman if iver there was wan." Perhaps,
after all, when a woman neglects to thank a
man for giving her a seat it may only be because she fears he may be a "masher" who
will take advantage of her good breeding. in three months gave his seat in a car to fifty-

Sam Jones on Science

So far the discourse had progressed without nterruption. Then a broad grin overspread the expressive features of the speaker. He was evidently ready for a story, and so it turn-**dout. "'Jones,' says a scientist to me the other day, 'science is going to explore hell.'
'Well,' says I, 'let me know when the committee returns; I want to listen to their report.'" The audience was convulsed with faughter and the speaker continued for awhile in a similar strain.

Judge Livingston to-day granted a preil ninary injunction on a bill in equity filed by Joseph White. He complete the Preliminary Injunction Granted. Joseph White. He complains that Am species Lovett and James R. Jackson, the supervisors of Colerain township, are endeavoring to collect from him a road tax illegally spaced, that the supervisors made a difference with the owners of real estate assessing those on one side of the road a greater sum than those residing on the other side. He mays that the road tax be equitably assessed the owner will hear arguments on the matter as few days and in the meantime the supervisors are restrained from collecting this tax.

Is This So?

A very bright little lad of 12 years, son of a popular vocalist, joined his mother's church seemily and felt very proud over it. While the was stalking around the house, bearing his new honors with dignity, a much tounger brother exclaimed: "You feel stighty big, don't you? I'll never join the starch anyway!" On being saked why, he wiled: "Because I won't. I'm going to be choir singer like father, and singers never in the church, you know!"

Corsets! Corsets! Corsets! We beg leave to call your special attention to the line of Corsets we keep. An investigation will convince you of the fact that our assort-ment in that line is the most complete in this

ment in that line is the most compactive to city.

All the different makes which we advertise below are warranted to give satisfaction to the wearer in regard to fit as well as durability.

Our cheapest Corset is the one we call

"THE BEAUTY."

at 2ic. aplece, White and Colored. It certainly is a beautiful Corset for the price.

Our Forty nine Cent Corset, which comes under the name of

"ADA."

we have always styled the Unerganger in

"ADA."
we have always styled the UNREMARABLE—an expression used by many of our customers in reference to the above-mentioned Corset. It is positively the strongest article that can be sold for the price, and is bound to give complete satisfaction.

A Good French Woven Corset at 50 cents (White only), called
"THE MONOGRAM."

We have sold it ever since we have done business in this city. It was formerly sold at 75 cents, then at 68 cents, and the enormous quantity we soil of them enables us to buy them in case lots, and sell them at the remarkably low price of 50 cents.

The best thing of all—an article that will surprise anybody—is the Corset which we will call your attention to now. This must be seen in order to be appreciated.

"THE R. & G. MOULDED CORSET,"
the most perfect shaped Corset in existence.

the most perfect shaped Corset in existence. Made of the very best material, made up in the very best style—a Corset that ought to be sold for 41.00, and that is well worth a dollar. Our price on it only 75 cents. We cannot be beat on this article. It defies all competition. "MADAME BORTREE'S DUPLEX CORSET," \$1.00.

This article is too well known by every lady and it is unnecessary for us to say anything in

"THE ONE HUNDERD BONES,"
At \$1.00, White or Colored. "DR. WARNER'S CORSETS."

Every lady knows what they are. They all ask for them. Every first-class establishment must keep them. We keep the following makes: "Dr. Warner's Flexible Hip." \$1.00 "Dr. Warner's Caroline, or Four-in-Hand," \$1.00 "Dr. Warner's Health Corset," \$1.25.

"Madame Foy's Skirt-Supporting Corsets,"

Misses' Corset and Brace Combined.

White or Colored, \$1.90.

Attentive parents cannot swold noticing the tendency on the part of their children (especially girts) to fall into the habit of sitting and waiking in a stooping posture. In most case, this persicious habit is the direct result of the position which they are obliged to occupy while bending over a desk, while at study at schoo, or while engaged in practicing on the plano or other instrument at home. This not only caus as them to become round shouldered, but makes of what would otherwise have been robust children weak and sickly ones, with a tendency to spinal diseases.

To obtain a Brace that would sufficiently supplement the musclessof the back and at the same time draw back the shoulders (thus bringing the relative parts of the body into a heartful and natural position), has been our study for some time past.

We submit the result to your consideration. some time past.

We submit the result to your consideration feeling assured that a trial will convince you of the merits which we claim for the "Atlantic" Misses Corset and Brace combined.

None genuine unless stamped "I. R. & Co." Beware of worthless imitations.
