Cowardly Act That Should be Punished.

On last Tuesday night James McClure, living on South Fifth street, accompanied by als wife, was coming from the opera house, when he met a man, near his home acting in when he met a man, near his home acting in a disorderly manner. McClure made a few remarks to the fellow, who became very much incensed and was going to fight. McClure and his wife passed on to their home, when the man in a mean cowardly manner hurled a large stone with great force at McClure, striking him in the forehead above the left temple. The injured man was conveyed to his home and medical attendance summoned. The injury is a serious one.

To the Editors of the Lancaster Daily Papers GESTLEMEN: Will you kindly give place in your papers to the following in behalf of the Edison Electric Illuminating Company of Lan-

First to the gentlemen of both councils who supported our proposition for lighting the city morally and by their votes, we return our hearty thanks. To those who voted against us we owe no thanks, yet in their behalf we say to the citiens who arrayed themselves on either side of the controversy, bear no ill-will toward anyone, supposing that every man did big data.

the controversy, bear no ill will toward anyone, supposing that every man did his duty as to him seemed best. The battle has been decided, and now as common citizens, let us all turn in to do the best for our city in all its public and private enterprises.

For ourselves, we, the Edison Light Company, propose to go shead as we first intended, and erect in the city of Lancaster one of the finest (if not the finest) electric light plants to be found anywhere in this state, and probably in the United States. Our representative will continue to solicit the patronage of all the citizens to light their stores, workshops, public halls and private houses, guaranteeing good light for fair pay. To our successful competitors, who carried off the prize of lighting the city, we say good luck go with you.

THE EDISON ELECTRIC ILLUMINATING CO. OF LANGASTEE, PA.

Attest: H. B. Cockean, Secretary.

Amusements.

"Burr Oaks" Company,—This evening the Burr Oaks" company opens a three night's engagements in the opers house. The Chicago Inder-Ocean says of the piece: "Messre Higgins, the authors of 'Burr Oaks' have good reason to feel gratified over the results of the week at the Grand opers house. The play as it is now presented, has a strong dramatic interest to recommend it, and we have no doubt it will prove a popular attraction on the road. Burr Oaks' is the best melo-drams we have seen as the work of American authors. It is original in treatment and possesses many very startling qualities in the line of human emotion."

BUSINESS COLLEGES.

What I Know About Them.' My condemnation is not what an education contains, for I believe it would be a very excellent thing for a young man or woman to know Greek, or Latin, or Hebrew. I say yes, if it could be given them as one would a bonnet, or an acrediand or a yoke of oxen. I believe in a business education not for one class, but for every class. I wish every young man in the country had a good business education, or such an education as should fit him to fill acceptably and usefully the position of a good merchant's clerk. I wish every man had such an education—every young man especially.—Horace Greeley.
