For about a year past this sediment has not passed off in the senal quantity, but has accu-mulated, causing me untold pain. Having heard of LE DAVID KENNEDY'S FAVORITE REM-EDY, I tried It, and after using about one and one-half bottles I voided a stone from the blad-der, of an oval shape, of 7.16 of an inch long, and rough on its surface. I send you the largest plece, that you may see of what if its composed since them I have leit no pain. I now consider myself cured, and cannot express my thankful-ness and gratitude for so signal a deliverance from a terrible disease.
