

The Daily Intelligencer.

PUBLISHED EVERY EVENING IN THE YEAR (EXCEPT SUNDAYS) BY STEPHEN & BENSEN. INTELLIGENCER BUILDING

THE INTELLIGENCER, LANCASTER, PA. LANCHESTER, APRIL 24, 1886.

THE SUPERINTENDENT'S REPLY. The superintendent of the soldiers' orphan schools writes to the governor...

Let Councilmen Consider It. A fruitful subject for thought is presented in an article on municipal tax liens...

Let social enjoyment now awaken, refreshed from its Lenten sleep! The inclination advocates, like all true reformers...

Not often does it happen that fish stories, which are just now in their period of greatest development...

The demand for Easter flowers this year for church decoration and sweetheart remembrance is reported as unusually large...

The remarkable work of Professor Gleason in subduing in New York the most ungovernable horses, is attracting wide attention...

As to the matters of fact in which the governor and superintendent are at issue, the superintendent's answer will acquit him in some cases...

Superintendent Higbee passes over with briefest reference the most important charge against him, that of permitting the schools to be in bad condition...

The Clearfield Strike. Senator Wallace is down in Philadelphia and has talked with a reporter about the Clearfield strike...

A 85000 Heifer Dead. Wm. M. Singery's famous Holstein heifer, 'Cousance,' valued at \$3000, has been killed in the 'Record Farm'...

THE CITY IS GROWING.

A GLANCE AT THE LARGE LOCAL BUILDING OPERATIONS. What a Reporter saw in his stroll through Lancaster-Structures going up in all parts of the town-Dwellings and Business Houses in course of erection.

If there be any of our readers who doubt that houses by the dozen are being erected in this city, all they have to do is to take a stroll on one of these fine days...

On the north-west corner of the Pennsylvania depot, Samuel R. Cross has just begun the brick work on a new three-story dwelling and store...

On Frederick street, between Shippen and Line, Benjamin Myers has broken ground for seven two-story bricks...

Reuben Bertelme has finished a two-story brick residence, with mansard roof, at 97 West Lemon street...

On James street, near Mary, F. O. Starjts has laid the foundation of two two-story bricks...

On James street, between Arch alley and the railroad, Frank S. Greider, of West W. D. Sprecher, has been finished...

John Doherty is building two two-story brick houses on Poplar street, between Strawberry and Fifer street...
