

WARWICK WINDICATED.

THE ORIGINAL MEN COUNT WEAVER OUT AND THEN WRAKE.

The Returns from Roebuck's District to be Admitted After He Has Been Crucified—The Motive of the Assault on His Ballot.

A Story of Wholesale Corruption.

When the INTELLIGENCER went to press on Monday afternoon the board of return judges were reading the returns from those districts which were not objected to.

In addition to those noted yesterday, Martine, York township, Mt. Joy township lower, Penn. Lapho, Sellers, Strasburg township, 1st and 3d wards and Warwick township were sent to the committee on contests.

The clerks concluded the reading and recording of the undisputed returns and the board took a recess to await the report of the committee on contested districts.

The committee were so long arriving at a conclusion that the clerks counted on the returns of the districts unopposed, and there was a good deal of private figuring to discover what effect the exclusion or admission of any of the districts would have upon any particular contest.

It was nearly 4 o'clock when the committee on contested districts entered the room and they were ready to report.

William C. Hoover, chairman, stated that he had received reports from the districts referred to the committee and it looked as if the battle over Warwick, upon which the district attorneyship depended, might be postponed until a later time.

But even those of the majority who remained were getting uneasy and it began to look as if they might melt away and either the other side or the majority would be left with only a quorum.

The word was hurriedly passed by Spurrer to "put her through." Dr. P. H. Roebuck, chairman, and Spurrer took the floor and said his committee wanted to formally report, and to have their report acted on.

THE MAJORITY REPORT. To the Honorable the Board of Return Judges of the Pennsylvania Primary Election on Lancaster County.

GENTLEMEN: The undersigned members of the committee on contested districts respectfully report: That they have carefully investigated the allegations against districts in various districts, they recommend that the returns from Warwick township be excluded and not counted for the following reasons:

From the sworn testimony of Johnson Miller, the return judge, it was clearly shown that Dr. P. H. Roebuck, who was not an ineligible person, was admitted to the poll.

There were mingled words and applause. Charles Eberman moved its adoption and Johnson Miller said he would not allow any objection to be raised.

A dozen members were yelling at the chairman and finally Johnson Miller, of Warwick, was rescued. He said the majority had a report to present. Following is the report as read:

THE MINORITY REPORT. We, the undersigned, a minority of the committee on contested districts, in the report of the majority, referring back to you the township of Warwick, on the grounds therein stated, and we respectfully request you to have the same returned to the voters at the next election.

There were mingled words and applause. Charles Eberman moved its adoption and Johnson Miller said he would not allow any objection to be raised.

They found it a hole to crawl out. At first they had talked of a new election. The Weaver men wanted it.

Then they talked of going out to Warwick to investigate the whole subject. Finally they agreed upon the resolution offered by Charles Eberman.

A PITCHED BATTLE FOUGHT

BETWEEN IMMISKILLEN FOOTBALLERS AND A POLICE DETACHMENT.

The Trouble Arises out of Remarks Made at an Anti-Hone Rule Meeting—Police Terribly Beaten and Forced to Take Refuge in Hasty Flight.

LONDON, May 25.—A pitched battle between the Immiskillen footballers and a detachment of police was fought to-day at Aldershot.

Several of the footballers took exception to the remarks of some of the speakers at the anti-hone rule meeting which was in progress there and made a rush for the stands with the avowed purpose of dragging the speakers therefrom.

The police endeavored to prevent them and seizing some of the soldiers were hurrying them off to the police station when their clothes came to be torn.

The fight ensued in which the police were terribly beaten and compelled to retreat. The police subsequently obtained reinforcements and returning arrested five of the riotous soldiers.

THE TOBACCO MARKET.

The Old Crop Packed and the New Plants Not Yet Started.

We have absolutely nothing to say about the local tobacco market, except that some 300 cases of '85 leaf were sold to Eastern parties by Mr. Stehman, of Rohrerstown.

The tobacco warehouses in the city are closely stacked up, the packing being finished. The hope of a gradual but certain subsidence of the labor troubles, coupled with the reports of high prices for new Sumatra and promising disposition of exporters toward our new crop, all tended last week to lend to our market a much needed air of cheerfulness.

The most prominent feature of the week was the sale of more '85 Wisconsin by distinguished packers to specific dealers; 900 cases running from 10 to 12 cents were disposed of. Old fillers continued to be picked up with avidity at from 7 to 17 cents, as subjects of necessity by cigar manufacturers.

Old binders, too, continue to find ready buyers, while old wrappers move at a snail-pace only in so far as they are required for special cases '81 Pennsylvania B's and C's are reported.

There were many reports of transactions in more '85 tobacco, but they were either unverified or the prices received were not reported.

At present the new crop is not yet started. The new plants are not yet started. The new plants are not yet started.

HON AN EXHIBITION GAME.

The Result of the Lancaster's First Game on the Home Ground With Altoona.

Yesterday afternoon the grounds of the Lancaster mill club were well filled and it was thought that no game would be played.

The sun came out before 4 o'clock and the managers of the Lancaster and Altoona agreed to play an exhibition game.

Such an arrangement was made it would be difficult to fill, for if the ground was in condition to play in it at all there was no reason why a championship game could not be played.

The game was called about quarter seven and seven innings were played.

The four teams did some work in the field, having but one error. Driscol, a young pitcher, who played on the Westminster club last year and was on the Philadelphia team in the early part of this season, was in the box for the Lancaster.

The visitors could do nothing with his delivery and had but one single hit. The Altoona did miserably in the field. Manager Fisher attempted to play first base and succeeded in leading the club in errors. The score was as follows:
