NEW GROCERIES. "RONESTY IS THE REST POLICY." "HONESTY IS THE REST POLICY."

Presents mean deception. The name, in its business use, is a travesty of the act. Perspicacious and far-seeing people know this. Either in quantity or quality, or through trickery, dupes pay for their delusion. The purchaser must and always does pay dearly for the supposed—gift. (?) Stare this question straight in the face and see how fareteal it is; and remember that you can buy the same codies for 1%, that you have the same codies for 1%, that you have 2% for with a package of cornstarch, &c., which you need only buy as you require.
