

FIFTH REUNION.

Columnial Two Sporting Clubs That Expect to Have a Good Time at the Annual Reunion at the High School Building. COLUMBIA, July 1.—The town has two clubs for spending from a week to ten days in some favorable part of a mountainous district, where fishing, gunning, etc., can be enjoyed by the members. The Rod and Gun club is now in the third year of its existence and will encamp during September in Union county, on a branch line of the Pennsylvania railroad. This club is composed of older citizens. The Forest and Stream club is composed principally of young men. The camp of this year will be their first experience in this line and the members are looking forward with much eagerness for the time set apart for their camp, a week in Berks county, along the branch of the Philadelphia and Reading railroad, at a place noted for the facilities afforded to clubs of this description. By spending this time in this way the members are better fitted for the active business in which they are engaged. No Celebration of "The Fourth."
