COLUMBIA'S COUNCIL.

THE BOUNCED BUSINESS DONE AT THE JULY MEETING.

Condition of the Borough Finances—Reports of the Highway Committee—Discussion of a Change in the Time of Marketing—Notes About Town.

Special Correspondence of the INTELLIGENCER.

COLUMBIA, Pa., July 14.—The regular monthly meeting of the Columbia council was held last evening at eight o'clock, in the council chamber. Members present: Messrs. Bucher, Caswell, Edwards, Forrey, Griffin, Musser, and and Westermen. Members absent: Messrs. Eckman and Hershey. The finance committee reported as follows:

Balance on hand at date of last report	$3,046 90
Store rents	185 33
Annual market Rents	545 00
Transient	142 05
License	13 00
Fines	30 00
Duttenhofer, collector for 1884	518 58
Rent of auditorium	15 00
Total	4,292 66

Balance on hand	3,216 54

The finance committee reported having issued six building permits since last report making in all fourteen new dwelling houses and two churches.

Served paving notices and notices to repair gutters to property-owners; the sewer at the foot of Union street was under construction.

The market committee reported market houses in good condition; first class collection of transient market rents during month; the annual market rents have all been collected without the recourse of law.

The light and water committee reported that the water plug at Fifth and Walnut streets has been repaired and is in good working order; electric lights were out for 5½ hours on the night of June 30th, and recommended the proper reduction.

The sanitary and police committee have received several complaints about the slaughter houses; have served notices to three owners, and those parties have promised to keep them in better condition and comply with the ordinances.

The chief burgess reported the town, during the last month, quiet and orderly; collected $43 for fines and licenses. The tax duplicate of W. G. Duttenhofer, collector of borough taxes of 1884, was settled, after the collector was exonerated from the payment of certain taxes, largely due from single men and tenants. The exoneration amounted to $883.33. W. G. Duttenhofer was elected collector of dog tax for this year.

The law and ordinance committee were instructed to have a new ordinance book compiled and printed. Orders were granted in favor of the sinking fund for $85.89 and for $184.50 for the payment of coupons. A petition was received from a large number of farmers attending market, asking that an afternoon market be held once every week; also a petition from sixty to seventy-five citizens asking that Thursday afternoon be appointed instead of the morning, from October to May. An ordinance was presented changing the time of holding the market on Thursday, which was laid over until the next regular meeting. The highway committee were authorized to grade Chestnut street from Seventh to Ninth and Eighth streets, from Alley G to Chestnut. An ordinance was presented that when Cemetery street be opened it shall be to the width of a sixty foot street, as it was originally adopted on the plan of the borough, and that the ordinance of November 20, 1874, making the street 40 feet in width, be repealed. Laid over for one month. The light and water committee were instructed to advertise for the lighting of the borough, with electric lights, for one year from October, 1886. A large number of bills were read, after which council adjourned.

Accident at the Mill.

John Henry, an employe of the Columbia rolling mill, met with a painful accident yesterday while at work at that place. In some manner he was struck on the right side of the face with an iron bar, cutting a very severe gash under the eye, exposing the bone. The nose is also injured. The wounds were attended to by a physician.

Fell Down Stairs.

Mrs. Williams, living on Manor street, fell down a flight of stairs at her home last night resulting in the breaking of her right arm between the elbow and wrist. A physician reduced the fracture.

Town Notes.

The first anniversary of the institution of Columbia Lodge, No. 117, Brotherhood of Railroad Brakemen, will be held on Thursday evening in the armory. The occasion will be observed in an appropriate manner.

The Sunday schools of the Church of God, of Columbia and Washington, went to Penryn park this morning on the union picnic. Twelve carloads of people left the Reading & Columbia station, on the morning train, and three hundred of this number came from Washington.

Workmen are now engaged in repairing the retaining wall of the Pennsylvania canal above the locks.

There are more sail boats on the river at Columbia this year than there were last season.

The wharf of Bachman & Forry's planing mill is being repaired and new cribbing put in.

A slight wreck occurred in the east yard this morning caused by a truck of a car in a west bound freight train breaking down. The wreck was soon cleared away by the wreck crew.

A LIVELY HEARING.

Two Well-Known Lawyers Have a Tilt in an Alderman's Office.

Tuesday evening William Holworthy had a hearing before Alderman Deen, on the charge of stealing a pair of horse-clippers from Charles McNay. The evidence was the same as published in the INTELLIGENCER on last Saturday, and the case was returned to court. McNay was represented by C. G. Kennedy, esq., and Holworthy by B. Frank Eshleman, esq. A tilt between the counsel made the hearing very lively. Eshleman cross-examined McNay very closely and asked him a number of questions which he (McNay) and his counsel considered insulting. This continued for some time, and finally Kennedy made a remark about Eshleman. The ex-district attorney became very hot and demanded an apology from Kennedy. The latter positively refused to apologize, and Eshleman insisted that he should until after the hearing was over. The attorneys then got out upon the pavement and Eshleman got hold of Kennedy, stating that he would not leave go of him until he took back what he had said. Kennedy still refused and a crowd soon gathered in front of the alderman's office. Officer Weaver finally separated the men and they did not come to blows. Kennedy has not yet made the much sought for apology.

A PLEASANT DIVERSION.

Popularity of the Pastime of Rowing on Conestoga Creek.

People of Lancaster have very few resorts at which they can have fun in the evening, but they take advantage of which they have. One of the most popular pleasures these beautiful moonlight nights is to row upon the Conestoga. At Witmer's bridge there are at present no less than forty-one row boats. Nine of these are owned by Samuel W. Potts, and the others by private parties. Last evening the crowd was unusually large at the creek, and late comers were unable to get any boats. The creek was filled with pleasure-seekers, both ladies and gentlemen, all evening. At Rocky Springs Samuel Demuth has ten boats. The people who are not the happy possessors of horses complain of the inconvenience in reaching the creek, as the walk is too long. A chean line of busses might do just now and the boat-owners could add to their fleets. The boating continues each evening from 7 o'clock until 11, and some parties remain later.

Accident to a Carriage.

This afternoon the nut of a spindle on one of Patrick Cherry's coupes broke in front of the *Examiner* office, and the wheels came off. There were two ladies in the carriage, but as the horses were gentle and stopped they were not hurt.

An Owner Wanted.

A basket filled with marketing was left in the market this morning; the owner can get it upon calling at the mayor's office.

Summer Leisure.

Philip Lebzelter left to-day for three weeks stay in Columbus, Ohio.

Asaph Prutzman and family, John Schaeffer and family, and D. H. Beiderman and family, of Reading, are now occupying cottages at the Landisville camp ground. They will remain there until August 3d.

Miss Blanche Lichty is on a visit to her uncle, Garret H. Everts, Reading.

Mrs. Nancy King and son Samuel, of Canal Dover, Ohio, is visiting her brother David T. Robinson, of Mountville, where they will remain some time, and thence they will extend their journey through the eastern part of the state and Delaware, visiting relatives and friends.

Miss Laura J. Falck left this morning for Lewistown, Mifflin county, where she will spend part of the summer vacation.

Miss Lulu Brown, of York, is stopping with her friend Miss Delia Leman, of North Duke street.

This morning about forty friends of the Tucquan club, including ladies, gentlemen and children, left for York Furnace to spend the day with the club.

John Brimmer, tobacco dealer, has gone on a trip to Chicago, Madison, Wis., and other Western cities.

A postal from the Vesper Boat club says that the party started from Wrightsville at 11:30 yesterday and after proceeding leisurely arrived at York Furnace at 6 o'clock. They left at 10 o'clock for Port Deposit.

Sheriff George W. Tomlinson and wife left this afternoon for a trip to Quebec and Toronto, Canada.

Knights of Pythias at Toronto.

Up to midnight, Tuesday, special trains continued to arrive at Toronto, Canada, every hour, bringing divisions of uniformed Knights of Pythias from all over the continent. At 1 o'clock 3,300 uniformed knights had reported to Adjutant General Newell and large numbers who had arrived had not reported at that hour. It is estimated that 15,000 are now in the city.

The reception committee has been taxed to the utmost of their power to find accommodations for the large influx of knights, many divisions having arrived who were not expected. They are still hard at work procuring suitable quarters for their guests.

The 8th at Mt. Gretna.

Captain Richard Rahn, of Company H, Pottsville, was officer of the day at Camp Gobin on Tuesday. Colonel Magee had his regiment out for a long turn over the field in the morning, and the captains drilled by companies in the afternoon. If the 8th regiment don't make a good showing before Governor Pattison, Major General Hartranft, Adjutant General Guthrie and Brigadier General Gobin on Friday it will not be for want of effort.

Among the visitors to camp was Colonel Magee's wife, who came over from Wrightsville. Their son has been here all week taking his first lessons in military life. Several guard jumpers, who left camp and went to Lebanon, have been placed under arrest in the guardhouse. Sergeant Brindle, of Company G, Carlisle, has been appointed commissary sergeant.

Queer Bananas.

John H. Stains exhibits a bunch of bananas that are odd in the circumstance of being grown together. Of the six on one stalk, two are grown together as one banana, and the other four are as closely united as the Siamese twins.

Death of an Aged Horse.

An aged horse, familiarly known as "Old George," owned by Mr. Jacob Habecker, near Newton, died on the 7th inst., aged 27 years. He raked all the hay this summer and was a good and faithful animal and much thought of by his owner who buried him upon his place near Big Chickies creek.

Fifty Years Old.

Yesterday Samuel Gruel, of South Queen street, was fifty years of age and in the evening there was a pleasant party at his home. A large number of Mr. Gruel's friends were present and a big supper was a feature of the evening's entertainment.

Postoffice Discontinued.

The postoffice at Watts Station, known as the Vesta, was this day discontinued. All mail matter intended for the Vesta office will be fowarded to Marietta.

Excursion to California.

The sale of excursion tickets from the Atlantic to the Pacific Ocean begins August 3d, the price for the round trip being $75, and good for return trip any time between August 7th to November 30th.

This Evening's Concert.

This evening the Brownstown cornet band, which is said to be a very good musical organization, will furnish the music for the concert at Maennerchor Garden.

SPECIAL NOTICES.

The New Tricycle.

This machine is propelled by steam, and will carry two people twenty miles in an hour, it is said. It is quite an invention but does not compare with *Burdock Blood Bitters*, which will carry the invalid along the road to health to beat all. For sale by H. B. Cochran, druggist, 137 and 139 North Queen street, Lancaster.

Helped Her Out.

"For years have been a severe sufferer from pains in the back. Tried various applications. One bottle of *Thomas' Eclectric Oil* entirely cured me. Cured others equally quick." Mrs. Benning of 14th St., Buffalo, wrote this. For sale by H. B. Cochran, druggist, 137 and 139 North Queen street, Lancaster.

Would Have Been Set Upon.

Had not *Burdock Blood Bitters* been a remedy of unquestionable merit they would have been set down upon by the public as thousands of medicines have been when their worthlessness was discovered. "Burdock Blood Bitters have received unbounded praises from the sick, thus establishing their merit beyond dispute. For sale by H. B. Cochran, druggist, 137 and 139 North Queen street, Lancaster.

What Is It Good For?

Let us tell you that *Dr. Thomas' Eclectric Oil* is good for. It is death to rheumatism and neuralgia. It will cure a burn, bite, or pain, and is equally good for sprains. For sale by H. B. Cochran, druggist, 137 and 139 North Queen street, Lancaster.

Has Confidence.

"In one case personally known to me the success of *Burdock Blood Bitters* was almost incredible. One lady described them as worth hundreds of dollars. I myself have the greatest confidence in them." F. S. Scratch, druggist, Kuthven, Ont. For sale by H. B. Cochran, druggist, 137 and 139 North Queen street, Lancaster.

The People Astonished.

Many people are astonished when they discover the wide circulation of *Thomas' Eclectric Oil*. There is hardly a drug house in the country that does not have this remedy upon its shelves. The public have found it is a good thing and stick to it. For sale by H. B. Cochran, druggist, 137 and 139 North Queen street, Lancaster.
