-Austin Dobson. CHICAGO COUNTS THE COST.

The Expenses For Trying the Anarchist. Amount to \$25,000.

A special dispatch from Chicago, 1th., says:
The cost of trying the Anarchists will be a
heavy tax upon the county. The extraordinary expenses can easily be computed. The
court summoned eleven hundred men for jury service who were paid \$2 per day for their attendance and who drew an average of \$4.50 each. This bill is \$4.750. The jury fees will amount to a total of \$1,100. The hotel bill for the jurors will be about \$1,200. Bailiffs in attendance upon the jury during the sixty days of the trial have incurred an additional board bill of \$550. Six of the prisoners have been confined to the county jail since May; six at a cost of thirty cents per day, and Parsons has boarded there since June 21. This expense is \$211 to Friday. Whether the jury convicts or disagrees, this item will be still further increased. The cost of employing a special bailiff to summon the talesmen is about \$400. A draughtsman was employed for over a month in making surveys and drawing the plans used in the trial at an expense of \$550. Two interpreters have cost about \$450, and since the testimony began the state has employed an extra stemographer at \$10 a day and has been to a daily expense of \$20 in telegraphing, the boarding of witnesses and other small items. This adds at least \$1,000 to the bill.

Mr. George Ingham has been employed to additional board bill of \$350. Six of the pris-

expense of \$20 in telegraphing, the boarding of witnesses and other small items. This adds at least \$1,000 to the bill.

Mr. George Ingham has been employed to assist the state at a cost of \$2,500. His compensation is said to be \$50 a day. The expense for witnesses has been small. Only those who come from outside the county receive fees, and they have been few in number. The fees and transportation of witnesses and the extra expenses incurred by Captain Schaack and his detectives for car fare, boarding, witnesses, and giving small sums to Waller, Seliger and other informers, will be covered by \$500. Mr. Furthman and several detectives have incurred expense bills in trips to Omaha, Grand Rapids and other towns, amounting to about \$150. These items cover pretty nearly all the especial expenses of the trial, and their total is \$13,000. Judge Gary's salary is \$3,500 per year, or \$63 during the two months of the trial. States Attorney Grinnell and three assistants have been busy for about three months, and during that time their combined salaries amount to \$3,225. Stenographer Purcell during the same time drew \$450. The salaries of two clerks of the court must be included. The court record writer will be occupied three months at \$222.

About eighteen bailiffs have been assigned to duty on the case to watch the prisoners and the jurors, and to guard court-room doors. They receive \$1,200 per year, and have been on duty in this case two months. Their bill is \$3,600. There is, moreover, a chief bailiff at \$1,500 per year, and two watchmen at \$1,000 a year. Their wages for two months is \$683.

For over three months Captain Schack.

For over three months Captain Schaack For over three months Captain Schack and some twenty detectives have given most of their time and attention to this case. It is impossible accurately to estimate the proportion of their salaries chargeable to the trial expense, but it is safe to say that this item ought to add \$2,000 to the account. Their total salaries for three months would be \$6,450. For a month six policemen have been assigned to duty at the criminal court building, and their pay for that time is \$500. These ing, and their pay for that time is \$500. These are about all the regular expenses, not including the cost of caring for the court room and clerning and lighting it. This, however, is clerning and tighting it. This, however, is trivial. These regular items amount to \$11,-700. Added to the especial expense, and allowing for numerous small items which cannot be got at just now, the total cost of the trial up to August appears to be about \$25,-000. Some of the officials think the account will reach \$30,000.

AN UNRIVALLED RECORD, Allocok's Forous Plasters have, in the last twenty-five years, proved themselves the best safest, and most effectual remedy for Spinal complaints, Incipient Consumption, Diarrhoss, Pieurisy, Lumbago, Debility, Rheumatism Gout, Sciatica, Loss of Vigor, Dropsy, Paralysis, Loss of Voice, Hysteria, Nervousness, Indiges-tion, Palpitation.

You Have a Perfect Right,
when you demand a Benson's Capcine Plaster
of a druggist, to expect to receive one. Yet
there are, we regret to say, a few druggists of
the Cheap John variety who will try to persuade
you to accept some worthless substitute with a
similar sounding name, such as "Capsicin,"
"Capsicin," "Capsicin," "Capsicin," "Capsicin," similar sounding name, such as "Capsicin," "Capsicum," "Capsicum," "Capsicine," etc. prefixed with the name "Borton" or "Benton." Cheap John will offer you one of these wretched mitations for half the price of the genuine, as he can well afford to do, its real value being nothing, and its cost but little more. Benson's are the only porous plasters that can be depended upon to cure every aliment subject to external treatment. They are prompt, sure and thorough. Frotect yourself against deception by buying of reliable druggists only. The genuine bears the "Three Scals" trademark and has the word "Capcine" cut in the centre.

Sneezing Catarrh.

The distressing sneeze, sneeze, the actid, watery discharges from the eyes and nose, the painful inflammation extending to the throat, the swelling of the mucous lining, causing choking sensations, cough, ringing noises in the head and splitting headaches—how familiar these sympathies are to thousands who suffer periodically from head colds or influenzs, and who live in ignorance of the fact that a single application of Sanvord's Radical Curring or Catarram will afford outendanceous relief.

By this treatment in cases of simple Catarrh gives but a faint idea of what this remedy will do in the chronic forms, where the breathing is obstructed by choking, putrid mucous accumulations, the hearing affected, smell jand taste gone, throat ulcerated and hacking cough gradually fastening itself upon the debilitated system. Then it is that the marvellous curative power of Sanvord's Radical Curr manifests itself in instantancous and grateful relief. Cure begins from the first application. It is rapid, radical, permanent, economical, safe.

A day never passes that I do not think and speak kindly of the Curicura Esnapina. Seven years ago, all of a dozen lumps formed on my neck, ranging in size from a charry stone to an orange. The large ones were irightful to look at, and painful to hear; people turned aside when they saw me, in disguel, and I was salamed to be on the street or in society. Physicians and their treatment, and all medicines failed to do any good. In a mement of despair I tried the Curicura Esnapinas Curicura, the great Skin Curic, and Curicura Hole and the large ones broke, in about two week, and the large ones broke, in about two week, and the large ones broke, in about two week, discharging large quantities of matter, leaving two slight scars in my neck to day to tell the story of my suffering. My weight then was one hundred and fifteen sickly posneds; my weight how is one hundred and sity-one solid, healthy pounds, and my height is only five feet five inches.
