ng a Natsance That Has Long Annoyed dents of Chickles Creek-Robert Griffith Captured—Seco Hall Notes. Recout Events Around Town.

Segular Correspondence of INTELLIGENCES. Columnia, Pa., August 23.—For some time past the residents along the Chickies creek, a few miles from Columbia, have been very much annoyed with the presence of numerous tramps. These men are encamped along the creek and obtain their living principally by robbing the surrounding farm houses. A lady living near the place has been so badly frightened by some of the tramps that her life is despaired of. They have been building a number of fires along the creek which greatly endanger the sur-rounding properties. Information of their conduct was received in Columbia and a haul was determined on. Officer Gilbert and rounding properties. Information of their conduct was received in Columbia and a haul was determined on. Officer Gilbert and two assistants went along the Chickies creek on Sunday and succeeded in arresting fifteen of the number. The farmers living in the neighborhood rendered valuable assistance in helping to arrest them. They were brought to town last evening and placed in the borough lockup, seven in one cell and eight in another. This morning when a visit was made to the lockup, the officer was very much chagrined to notice the absence of seven of the tramps. The men in one cell had made their escape by removing the hinges from the door and then getting into the corridor. They told the eight men in the other cell to rest quiet and they would return and liberate them. How they got from the corridor is not known as the key to the outer door is never left about the place and the lock shows no signs of being tampered with. This morning Officer Gilbert went to the country to summon witnesses to be at the bearing at the office of Squire Hershey, which will take place to-day.

Robert Griffith Captured. On the night of Saturday, October 24, 1885, an attempt was made to enter the residence of Mrs. R. Jacobs, on South Front street, by a man who was identified as Robert Griffith. The following day Griffith came to the house The following day Grintin came to the house for the purpose of explaining that he was intoxicated the night before, when he learned that the police were after him, and he left town in a hurried manner.

A warrant was placed in the hands of Oslicer Wittick, who had visited several places in order to arrest the man. On last Saturday lacks Wittight succeeded in arresting Griffith.

in order to arrest the man. On last Saturday night Wittick succeeded in arresting Griffith, who had been on a visit to his home near the Lancaster pike. He was placed in the lockup and given a hearing before Squire Evans this morning. In default of \$500 bail Griffith was taken to jail for a trial at court on the charge of attempting to enter a dwelling in the night time for the purpose of committing a fellow.

The Marietta base ball club came to town on Saturday afternoon and played a game of ball with the Resolute club. The visitors were defeated in a most thorough manner and the game was of little interest, except the heavy batting of the home club. The score Marietta 2 1 0 2 0 0 0 12-34 Barned runs-Resolute, 13. Two base hits-Resolutes, 3. Home run-Resolute, 1; Marietta, 1. Struck out-Resolute, 4; Marietta, 5. Errors-Resolute, 8; Marietta, 22. Total base hits-Res-olute, 26; Marietta, 5.

The victory of the Columbia club on last Saturday afternoon, at Lancasier, over the Sam Fields club of Reading, greatly pleased the friends of the home club. The score by innings, was received during the game at several places in town. The club was escorted from the train by a large crowd of admiring

The Chesspeake Camping club, of Lancaster, passed through town this morning, en route for Havre-de-Grace, Md. The clubtraveled in a special car and were scompanied by the Ironville band. Andrew Shibe, living on South Fifth Street, was working at the round house of the Pennsylvania railroad, on Sunday, when he broke the small bone in his fore-arm. He was using a hammer at his work, and made a mis-stroke, striking his arm with the above result. A doctor attended the injury. A Man Offers to Sell a Team at a Very Low

Aifred F. Kirk, who says he is from near Port Deposit, was arrested this morning on suspicion of being a horse thief. He came to Lancaster this morning and was driving a roan horse, hitched to a bar spring buggy. He endeavored to sell the team at different places and seemed anxious to get away in a hurry. He visited several stables and offered to sell the turnout at different figures. He first asked \$175 but finally said he would sell for \$100. Officer Leaman followed the man and finally, with Special Officer Gill took him into custody, at the Franklin house. Kirk says that he is a blacksmith and Kirk says that he is a blacksmith and he sold several teams. The borse which he had when arrested he traded for at Blue Bell, Providence township. The buggy which was found in his possession was made by Altick & Son, of this city, whose mark it bore. It was formerly the property of Wm. Grason, who resides near Rising Sun, Md. Kirk had a watch and \$2.53 in money on his person when arrested, and he will be held until an investigation is made.

Reckless Riding.

William D. Frey, while under the influence of liquor on Saturday night, was riding a horse recklessly in the neighborhood of the Eastern market, to the great danger of pedestrians. Marketmaster Groff arrested and detained him until Officer Beechler arrived, when he was taken to the station house. Complaint was made against him before Alderman A. F. Donnelly for fast driving and drunkenness and disorderly conduct, and accused entered bail for a hearing.

Fry's horse almost ran into the open door of Frailey's drug store on the corner of East King and Shippen streets. The horse struck his head against the wall of the building and fell heavily to the paragraph. fell heavily to the pavement.

Picnics at Penryp. On Saturday a Sunday school picnic was held at Penryn by people from Cornwall. It was expected that about 500 people would be present, but the crowd numbered nearly 1,000. A OURSTION OF TITLE . Thomas W. Evans, of Paris, Writes Correct an Error of the Philadelphia

" Press" of July 18th. From a letter received from Paris, by Mrs . A. Heinitsh, of this city, a triend of Mrs. Thomas W. Evans, we are authorized to publish the following card. Both Dr. and Mrs. Evans are justly incensed that their nephew should appropriate a title which he copied from a book of Peerage in which he found the family of D'Oyley, a family known in England to have become extinct more than 200 years ago.

An article appearing in the Philadelphia Sunday Press of July 18th, giving right to bear a title not lonly of baron, but of chevalier of the order of Cincinnatus to Mr. Peter Doyle, is denied most emphatically by the members of his family now living. This title, etc., is one claimed by his nephew living in Paris. To substantiate the fraud he wishes to publish to the world at large the right descending to his late uncle, thereby to himself and heirs. Those who know and have known for over half a century Mr. Doyle and his family, know the whole and entire untroth of such a claim. Had the late honored and honorable gentleman suspected his private life would be made public in print it would have pained him deeply, but to be accused of possessing an interly false title would be doubly regretted.
