The medicine they applied was like fire to the sore, causing intense pain. I saw a statement in the papers telling what 8.8.8. had done for others similarly afflicted. I procured some at once. The cost of designs for one of these vessels, says the Army and Navy Register, would be about \$10,000, The winner would gain a reputation and a prize of \$15,000. The loser in this country would gain experience, but as foreigners are not likely to come over here for designs for their war vessels, experience would be of small value.
