Hard to Read.

orley.

obody can be sure that he has got clear on a subject unless he has tried to put down on a piece of paper in indepenat words of his own. It is an excellent pian, too, when you have read a good book to sit down and write a short abstract of what

you can remember of it. It is a still better you can remember of it. It is a still better han, if you can make up your mind to a infinite extra labor, to do what Lord Stafford and Gibbon and Daniel Webster did. After glancing over the title, subject or design of a book these eminent men would take a pen and write roughly what questions they ex-pected to find answered in it, what difficul-ies solved, what kind of information im-perted. Such practices keep us from reading with the eye only, gliding vaguely over the part is and they help us to place our new ac The the eye only, gliding vaguely over the age; and they help us to place our new ac-unations in relation to what we knew be-we. It is almost always worth while to read og twice over to make sure that nothing Thing twice over to make sure that nothing as been missed or dropped on the way, or roughly conceived or interpreted. And if is multiple the serious it is often well to let an iterval elapse. I deas, relations, statements facts are not to be taken by storm. We ave to steep them in the mind in the hope thus extracting their inmost essence and mindeance. If one lets an interval pass, and mindeance is a unpretent box does not support the returns, it is surprising how clear and the that has become which, when we left it, and crude, obscure, full of perplexity. All this takes trouble, no doubt; but then will not do to deal with ideas that we find Will not do to deal with ideas that we find books or elsewhere as a certain bird does the its eggs-leaves them in the sand for esun to hatch and chance to rear. People the follow this plan possess nothing better ideas half-hatched and convictions reared socident. They are like a man who build pace up and down the world in the booth that he is clad in sumptuous robes purple and velvet, when in truth he is ally balt-covered by the rags and tatters of the people's cast-off clothing.

PENNSYLVANIA'S INDUSTRIES.

ae of the Returns as Shown by the Report of ion announce that Rev. J. O. Knowles will,

Africa, secretary of internal affairs, on Penn-sylvania industrial statistics, has just been

acter of the information and the number of industries represented. The report shows that in the matter of iron ore there are 2,626 employes and that \$427,-516 are paid yearly in wages. There are 19 rolling mills, employing 32,751 persons, to whom are paid in wages \$13,881,848; 21 Bessemer steel converters, with 12,309 em-ployes, to whom were paid \$5,307,667; 20 of foundry and machine shops, with 17,686 em-ployes, to whom were paid \$5,507,667; 20 of refineries, with 3,224 employes, with wages amounting to \$1,332,682. Under the head of lumber and its products are employed 25,575 persons, whose average weekly wages are

city between Samuel Baily's Johnny H. and William Fiss' Richard. Many letters of inquiry from Philadeiphia, Baltimere and other places have been received and the race promises to draw an immense crowd. lumber and its products are employed 25,575 persons, whose average weekly wages are \$6.95 each. There are 363 tanneries, with over 5,000 employee, to whom are paid \$2,017,327 in wages. Of street passenger railways there are reported 44, with 4,358 employee, whose yearly wages amount to about \$577 each. Philadelphia contributes 18 of these compa-nies.

at the Lancaster fair are now ready for distri-bution to those entitled to them, at the office of J. B. Long, secretary. The silver medais will not be ready until Saturday. All of the medals were made by E. J. Zahm, and they are fine specimens of workmanship. Philadelphia contributes 1s of these compa-nies. The ninety-eight industries reported (show 451,987 employes ; wages paid, £182,180,624 ; average days employed, 267 ; average weekly wages, \$7 ; value of product (excluding rail-ways), \$037,678,692. The total amount of annual wages was paid to a greater number of employes than has been reported. The number of emplopes in each industry only represented the average number employed during the year, while the wages paid per annum in each industry was divided among Word has been received in this city that Anna M., wife of the late Major Thomas R. Burrows, died in Indianapolis this morn-ing. Deceased was a Miss McClure, of Chicago. She leaves no children. Her body will be brought to Lancaster and interred in the Lancaster cemetery. annum in each industry was divided among all persons employed, whether for a long or short period. If full and accurate allowance could be made for the proportion of wages paid to persons not retained among the ave-

rage employed the pro rata share of all would be much less than what is shown in the table.

ARRESTED IN OHIO.

Young Lancaster Man Who is Charged With

wood and Rosa Reed, intie girls of this city, recently held a fair on East King street and sent the proceeds to Mr. Supplee to aid in the erection of the Sunday school building in the Welsh mountain. They have received a cordial acknowledgment of the same. Embezzlement and Forgery. Officer Barnhold this morning received a telegram from C. J. Slagh, city marshal of Canton, Ohio, stating that John Rosenfeid, who is wanted in this city to answer the charges of embezziement and for-gery, was arrested there. Rosenleid is Mr. Parnell intends to make a special ap-peal to Irishmen in America to assist tenants evicted during the coming winter to hold a young man and a resident of Lan-caster who at different times was engaged in out against the landlords. the live stock insurance business. Some time ago be went to the office of Allan A. Herr and procured a number of blank applications of the Lancaster County Mutual Live Stock This afternoon Messrs. Copland & Eckert are closing the season at Penryn park by giving a dinner to a number of their friends. Insurance company, of Blue Ball. He stated that he desired to give them to some of his friends who wished to insure in the com-pany. He then visited a number of people in the city and county and represented to them that he was the agent of the company. He induced people to insure in the company through him, and as far as known he collected the following sums of money : Harry Myers, city, \$2.50; E. P. McKentry, \$4: John B. Mylin, West Lampeter, \$4: Isaac Nash, city, \$2: Hiram Mowrer, West Lampeter, \$0: Martin Lefever, \$32, and Martha E. Mylin, \$16 Atter receiving Mr. Mowrer's check for \$9 Rosenfeld raised it to \$29 and secured the money. None of the sums collected were Insurance company, of Blue Ball, He stated

Charged With Horse Stealing. rom the Mt. Joy Sur. Harvey Kreybill, a thirteen-year-old ind of his place, decided to take a ride with the borse of Jonas E. Risser, last Saturday with-out first getting the consent of the owner for at first getting the consent of the owner for a doing. When the lad had been riding brough the country for several hours, he smee back to town with the horse and at the shool house the animal was abandoned. On fonday morning Mr. Risser made complaint material subtice McFadden, against young Kreybill, on a charge of horse stealing and Constable Buck made the arrest. A hearing res given him and he was committed to jail.

Wootten's Patent Engine.

One of Wootten's patent locomotives, with un reverse lever, has been put upon the Quarryville branch of the Reading railroad, kes daily trips between Quarryville and Lebanon and twice a day between Quarryville and Lebanon and twice a day between Lan-caster and junction. The engine weighs about forty tons, and being very powerful, is well suited to the heavy grades on some parts of the road. Jeff Groff, engineer, has charge of it and says it is much better than engines of the ordinary build.

A Faneral From Baltimore

ody of the late John Russel, of Baltisere, who died suddenly in that city of mart discase, was brought to Lancaster on the 12:58 train to-day. It was accompanied friends from Baltimore, met at the station friends in this city, and escorted to the constar cemstery, where the interment made. Mr. Russel was a son-in-law of i Hart, of this city. who died suddenly in that city o

race for four-year-olds; best time, 3:04. In the 250 class Chancellor M. took three straight heats; best time, 250%.

Corner-Stone of a New Church.

The ceremony of laying the corner-stone of St. Paul's New Episcopal church, situated on Locust street, Columbia, will take place on on Locust street, Columbia, will take place on Wednesday, September 29, at 3:30 p.m. The Right Rev. Bishop of Central Pennsylvania Dr. Howe, and Right Rev. N. S. Rulison, D. D., the assistent bishop and the clergy of the Harrisburg convocation will be present. The musical part of the service will be ren-dered by the choir of St. James', Lancaster, Trains will be run to accoundate visitors from Harrisburg, Lancaster and York. The funds for finishing the work will no doubt be speedily forthcoming.

Faise Alarm of Fire. This morning the bell on No. 1 engine house sounded an alarm of fire from box 47, at Prince and Walnut street. No. 1 company ran their apparatus to the spot. They then found that the chief engineer had struck the box on testing it, and he had neglected to in form the members of that company.

A Farm Sold.

Henry S. Engle, of West Donegal, has sold at private sale size sources and fitteen perches, with two-story dwalling and im-provements, to Samuel Shoetz, for 53,250.

Jim, Henry's Becoud Triat. October 6th has been fixed upon as the time

for the trial in Bailin.ore of Jim. Henry, on the charge of arson. Officer Barnhold and Clerk Warfel, of the county prison, will be
