As gay October brushes swittly past !

The gardens still look splendid. Dahlias rear The gardens still look spiedad. Danies look Their stately beads around, while salvins sprea Their scarlet petals, and while often near We mark the queenly cardinal's bright red.

The very skies are glowing ! Cloud on cloud Plie up, of silver, shot with rays of gold. Then crimson veils fa'l o'er them, veils to shroud Scenes brighter far than earth eyes could behold o look around, above, below, then sigh : Alas! October, too, must soon pass by."

FOR A PRINCE'S SMILES.

A Question of Courtesy-Minister Phelps and Editor Rice,
Three letters that passed between Allet Thorndyke Rice, editor of the North American Review, and Hon, E. J. Phelps, American inister to England, in regard to the refusa of the latter to put Mr. Rice's name on the list of American citizen's wishing to pay their respects at a Prince of Wales levee are published. Mr. Phelps based his refusal on the fact that Mr. Rice had published an editorial in the Review attacking Secretary Bayard. On June 29, Mr. Rice addressed a letter to Mr. Phelps, protesting against the refusal, and declaring that this consorable of the American press an abuse of his "official opportunities for the purpose of gratifying private feelings and political animostites, either in your own person or in that of the secretary of state." Mr. Phelps replied on July 3, defending his course, and stating that he is under no obligation, personally or officially, to make any such presentation, and that "it is an act of courtesy only, in extending which it is my duty, and most certainly my intention, to exercise a very careful discretion." sects at a Prince of Wales levee are pub

In his reply on July 4, Mr. Rice says In his reply on July 4, Mr. Rice says:
"Your reply to my complaint, I am sorry to
say, confirms its justice and convicts you of
what I am sure all right-minded persons
must regard as the grave public offence
of converting to the gratification of private
and personal objects, the opportunities of a

Centennial Anniversary of a Church. Saturday and Sunday's services of the centennial anniversary of Christ Evangelical church, at Stouchsburg. Berks county, was were attended by thousands. The exercise on Saturday were the historical sermon by Rev. Dr. B. M. Schmucker, of Pottstown, Rev Rev. Dr. B. M. Schmücker, of Pottstown, Rev-Leonard Grob, of Boyerstown, preached in the afternoon and Rev. W. H. Myers, of Reading, in the evening. Sunday morn-ing regular church services were held. Rev. F. P. Mayser, of this city, preached in the afterneon, and Rev. Theodore Schmauk, of Lebanon in the evening, when the Lebanon choir was present. The present church building was so bailly shaken by a dynamite explosion a short time ago that it required \$6,000 to repair it. This congregation was started in 1727. Another church was built in 1743, and in 1737. Another church was built in 1743, and in 178 a massive stone building was erected on the same spot, which stands now. The interior has been torn out and modernized, with a seating capacity for 1,200 people. In the pulpit and around the rail were church relics 159 years old. The altar contained a floral arch with the names of deceased ministers in immortelles. A large floral bell was sus-pended above. At sunrise the bell in the steeple struck 159 times, commemorative of the years the church has been planted there. The original settlers were Palatines, who were given land from the Piumpton Manor, owned in England.

Walking advertisement for Dr. Sage's Catarrh Remedy are the thousands it has cured.

The people will insist on having St. Jacobs Oil and no other. They know its merits.

Few are aware of the importance of checking a cough or common cold in its tirst stage. That which in the beginning would yield to a mid remedy, if neglected, soon preysupon the lungs. Dr. Bull's Gough Syrup affords instant relief. It is an infallible remedy. Price 25 cents a bottle.

SPINAL DISEASE AND WEAR LUNGS. The world is full of persons afflicted with weak backs and weak lungs. In the following letter Mrs. I. T. Crockett, of Max Meadows, Va., tells how she was cured of those troubles

I have used Alloock's Ponces Plasters for ten years or more for weak back (spinal affection) and weak lungs, and I can say with perfect trut! that I have been greatly benefited by them. In fact, I don't believe that I could get along with out them; certainly not or any length of time. I have been the cause of many others wearing them who have been greatly benefited.

The National Credit is No More solidly founded than the reputation of Benson's Capcine Plasters. They are known, appre clated and used in America-its hospitals and its homes. Physicians, pharmacists and drug gists affirm that for promptness of action, cer-tainty and range of curative qualities they are beyond comparison. Once used their unequalited excellence recommends them. The public are again cautioned against the cheap, worthless and shameless imitations offered by mendacious parties under the guise of similar sounding names, such as "Capsiein," "Capsium," "Capu-cin," "Capsieine," etc. Ask for Benson's, buy of respectable druggists only, and make a per-sonal examination. The genuine has the "Three Seats" trademark and the word "Cap-cine" out in the centre.

"For several months I endured a dull pain through my lungs and shoulders; lost my spirits, appetite and color, and could with diffi-culty remain from my bed. If we can cure an ache, or a sprain, or a pain, or a lameness, or a burn, or a bruse, or a bite, by using "Thomas' Eclectric Oil," let's do it. "Thomas' Eclectric Oil" is known to be good. Let's try it. For sale by H. R. Cochran, druggist, 137 and 139 North Queen street, Lancaster. A Baptist Minister's Experience.

A Baptist Minister's Experience.

"I am a Baptist minister, and before I ever thought of being a clergyman I graduated in medicine, but left a locartive practice for my present profession, forty years ago. I was for many years a sufferer from quinsy. Thomas' Eclectric Oil cured me. I was also troubled with hoarseness, and Thomas' Eclectric Oil cured them, and if taken in time it will cure seven times out of ten. I am confident it is a cure for the most obstinate cold, or cough, and if any one will take a small teaspoon and half fill it with the Oil, and then place the end of the spoon in one nostril and draw the Oil out of the spoon into the head, by sniffing as hard as they can, until the Oil falls over into the throat, and practice it twice a week, I don't care how offensive their head may be, it will clean it out and cure their catarth. For deafness and catache, it has done wonders to my certain knowledge. It is the only medicine dubbed patent medicine that I have ever feit like recommending, and I am very anxious to see it in every place, for I tell you that I would not be without it in my house for any consideration. I am now suffering with a pain like rheumatism in my right limb, and nothing relieves me like Thomas' Eclectric Oil." Dr. E. F. Crane, Corry, Pa. For sale by H. B. Cochran, druggist, 137 and 139 North Queen street Lancaster.

Don't allow anyone to make you believe any other remedy is Just as good for sick headache as Dr. Leslie's Special Prescription, for it is not true. This is the only remedy in the world that strikes at the root of the disease and drives it out. Give it a trial.

How many waste their time and resources in foolish experiments, with mary worthless medicines that can never do them a whit of good. If you are sick and want help get a reputable remedy of established merit. The curative virtues of "Burdock Blood Bitters" have never been questioned. For an enfeebled circulation or a weak atomach they are splendid. For sale by H. B. Cochran, druggist, 137 and 139 North Queen street, Lancaster.

Perhaps no local disease has puzzled and baffled the medical profession more than massicatarrh. While not immediately fatal it is among the most distressing, nauseous and disgusting ills the flesh is heir to, and the records show very few or no cases of radical cure of chronic estarrh by any of the mulitinude of Ely's Cream Balm a few years ago. The success of this preparation has been most gratifying and surprising.

About twenty years ego I discovered a little screen my cheek, and the doctor pronounced it cancer. I have tried a number of physicians, but without receiving any permanent benefit. Among the number were one of two specialists. The medicine they applied was like fire to the sore, causing intense pain. I saw a statement in the papers telling what S. S. S. had done for others similarly afflicted. I procured some at once. Before I had used the second bottle the neighbors could notice that my cancer was healing up. My general health second bottle the neighbors could notice that my cancer was healing up. My general health had been bad for two or three years—I had a backing cough and spit blood continually. I had a severe pain in my breast. After taking six bottles of S. S. S. my cough left me and I grew stouter than I had been for several years. My cancer has healed over all but a little spot about the size of a half direc, and it is rapidly disappearing. I would advise everyone with enneer to give 8. 8. 8. a fair trial. MRS. NANCY J. A QUESTION ABOUT

Brown's Iron Bitters

ANSWERED.

The question has probably been asked thou ands of times. "How can firown's Iron fitters are everything?" Well, it doesn't. But it does are any disease for which a reputable physician would prescribe IRON. Physicians recognize Iron as the best restorative agent known to he profession, and inquiry of any leading themical firm will substantiate the assertion has there are more preparations of fron than of chemical firm will substantiate the assertion that there are more preparations of fron than of any other substance used in medicine. This shows conclusively that iron is acknowledged to be the most important factor in successful medical practice. It is, however, a remarkable fact, that prior to the discovery of BROWN'S IRON BITTERS no perfectly satisfactory combination had ever been found. BROWN'S IRON BITTERS does not injure the teeth; cause head-ache, or produce constipation—all other medicines do. BROWN'S IRON BITTERS cures Indication. Billougness, Weakness, Dysnensia. digestion, Bilituness, Weakness, Dyspepsia, Maiaria, Chilis and Fevers, Tired Feeling, General Debility, Pain in the Side, Back or Limbs, Headache and Neuralgia-for all these aliments Iron is prescribed daily. BROWN'S IRON BIT TERS, however, does not cure in a minute. Like all other thorough medicines, it and slowing TERIS, however, does not cure in a minute. Like all other thorough medicines, it acts slowly. When taken by men the first symptom of benefit is renewed energy. The muscles then become firmer, the digestion improves, the bowels are active. In momen the effect is usually more rapid and marked. The eyes begin at once to brighten; the skin clears up; healthy color comes to the checks; nervousness disappears; functional derangements become regular, and if a nursing mother, abundant sustenance is supplied for the child. Remember Brown's Iron Bitters is the ONLY from medicine that is not injurious. Physicians and druggists recommend it.
